SECTION I. INTRODUCTION

1-1. FORMAT AND SCOPE OF THIS PAMPHLET.

a. This pamphlet consolidates information and policies concerning personnel matters within The Judge Advocate General's Corps (JAGC). Citation to applicable Army Regulations (ARs) has been made where appropriate. These ARs should be consulted for specific procedures. Information in this pamphlet that is inconsistent with law or regulation is inapplicable. Information in this pamphlet is current as of 1 October 2009; however, the needs of the service are the controlling factor in every case, and all policies are subject to change on that basis.

b. Several sample formats have been provided. They have been modified as appropriate to reflect procedures specific to the JAGC.

1-2. APPLICABILITY.

This pamphlet applies to all JAGC officers (JAs), civilian attorneys, and warrant officers under the jurisdiction of The Judge Advocate General (TJAG) in the Judge Advocate Legal Services (JALS). It applies across all components – Regular Army, United States Army Reserve (USAR), and Army National Guard (ARNG). Portions of this pamphlet will also apply to 27D paralegals and civilian paralegals.

1-3. QUESTIONS AND CHANGES.

Recommended changes to this pamphlet should be submitted in writing to: Personnel, Plans, and Training Office (ATTN: Plans), Office of The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209-2194. Interim changes will be announced in The Army Lawyer and on JAGCNET. Questions are invited at any time at DSN 425-6798 or 703-588-6798.

1-4. JAGC PERSONNEL POLICY.

a. TJAG is responsible for personnel management of the JAGC in accordance with the statutory obligation to direct members of the JAGC in their duties. While TJAG's statutory duty extends to JAs and other members of the Army assigned to the JAGC, AR 27-1 provides additional authority and responsibility to manage the JALS, which includes civilian attorneys and other employees, warrant officers, 27D paralegals and civilian paralegals.

b. The Personnel, Plans, and Training Office (PP&TO) assists TJAG in fulfilling his responsibilities to recruit individuals to serve as Judge Advocate officers and to manage the careers of Judge Advocates. PP&TO, under the guidance of TJAG, ensures that the Corps is provided the best resources possible to accomplish its missions.

c. Fair, candid, and open personnel management is critical to meeting the JAGC's mission, which is to provide commanders and their staffs with accurate, proactive legal

advice on all issues affecting the Army and the Joint Force, while continuing to deliver quality legal services to Soldiers, retirees, and their Families. The expert flexible force produced by sound personnel management practices will realize the JAGC leadership's vision for the Corps to be one team of proven professionals committed to justice, grounded in values, and dedicated to providing proactive legal support to the Army and the Joint Force.

d. Personnel management will be effective only when interest in professional development is shared among the JAGC leadership, supervisors, and individual members of the Corps. Every employee and Soldier should remember, however, that responsibility for a successful career ultimately remains the responsibility of the individual. All members of the JAGC have a right to communicate directly with their appropriate personnel manager.

e. On 10 January 2006, TJAG published the first of a continuing series of TJAG Policy Memoranda which are available on the JAGC homepage located at <https://www.jagcnet.army.mil>. TJAG Policy Memoranda are also included at the end of this section of the directory (JAG PUB 1-1). TJAG Policy Memoranda provide guidance to The Judge Advocate General's Corps as a whole or to a large segment of the Corps. TJAG welcomes suggestions and recommendations from the field. If a member of the JAG Corps has an issue that meets the above parameters, he or she is encouraged to submit the issue for consideration by the Strategic Planning Team at the Legal Center and School through the Virtual Suggestion Box website at www.jagcnet.army.mil/suggestions.

1-5. PROFESSIONAL DEVELOPMENT OF JUDGE ADVOCATES.

TJAG has a special responsibility to personally manage JAs under the statutory mandate of 10 U.S.C. § 3037(c)(2). While other Army and government guidance affect management of civilian employees and subordinate military personnel, TJAG has the principal obligation to prescribe personnel policy for JAs. Development of Army officers is a key concern of the Army's leadership. DA Pamphlet 600-3, Commissioned Officer Professional Development and Career Management, summarizes the Army's philosophy and policies of officer professional development. JAG PUB 1-1 supplements that guidance for JAs. TJAG manages JAs through the Personnel, Plans, and Training Office according to the career development models that follow (Figures 1-1 and 1-2). This policy manual explains the model in greater detail (see Section V). In addition to the narrative discussion, Figure 3-1 contains information concerning selection boards of interest to JAs.

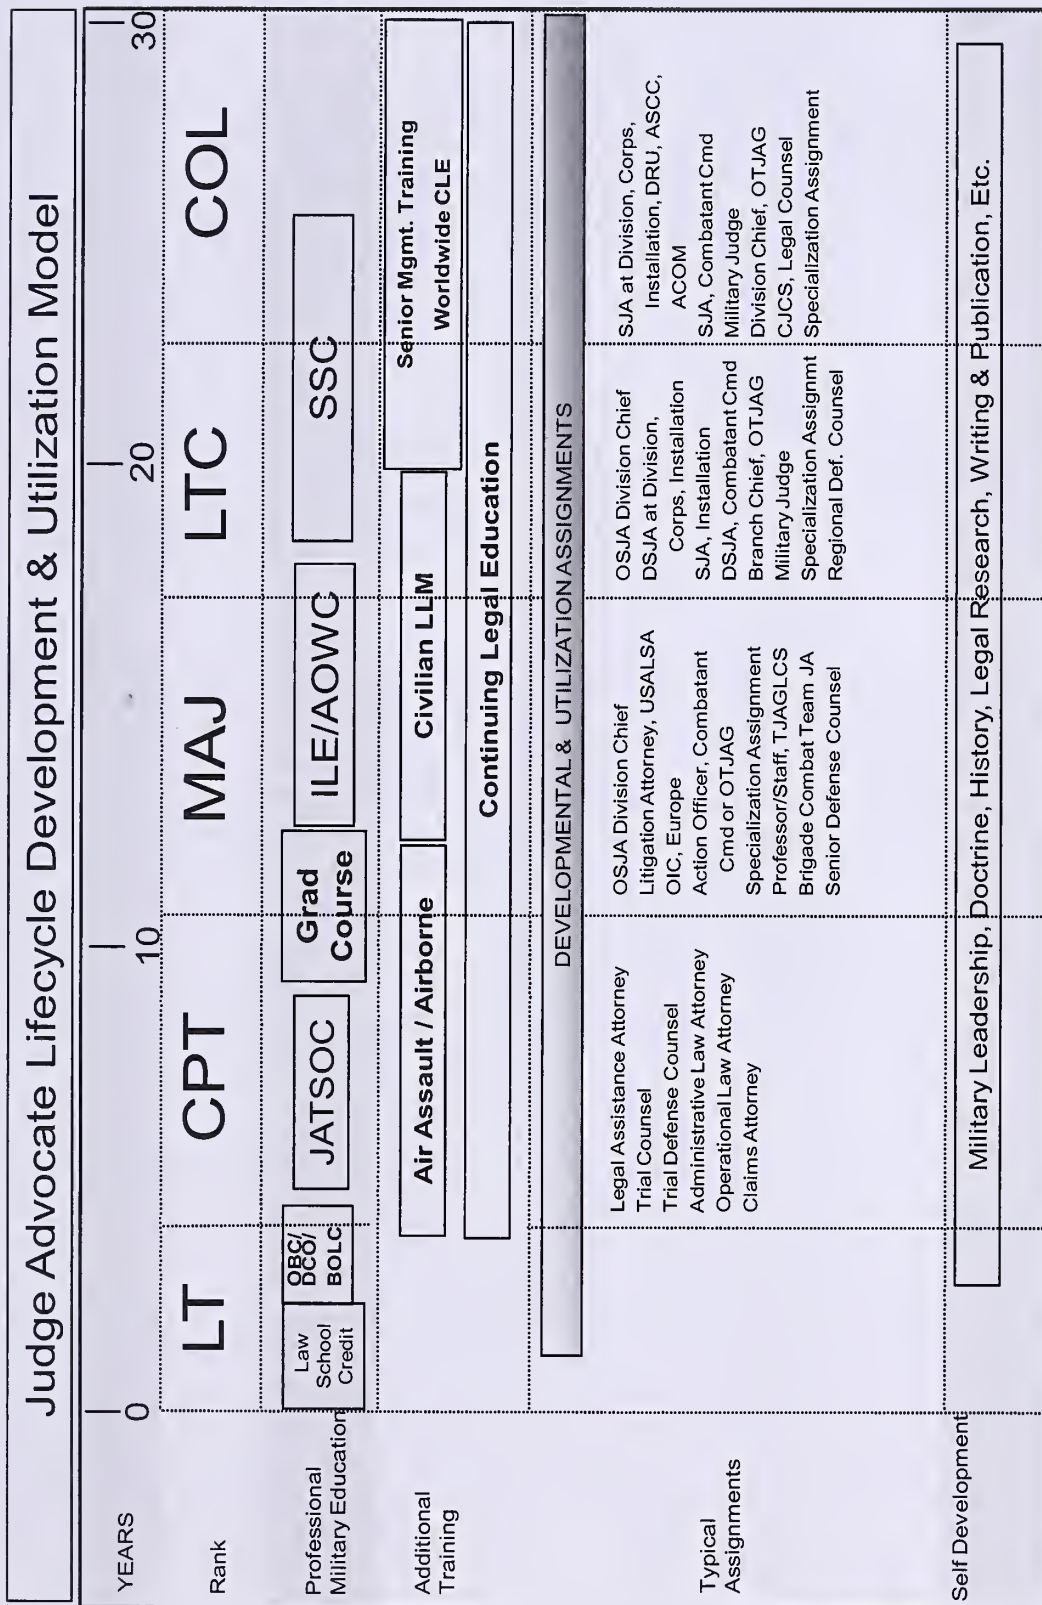

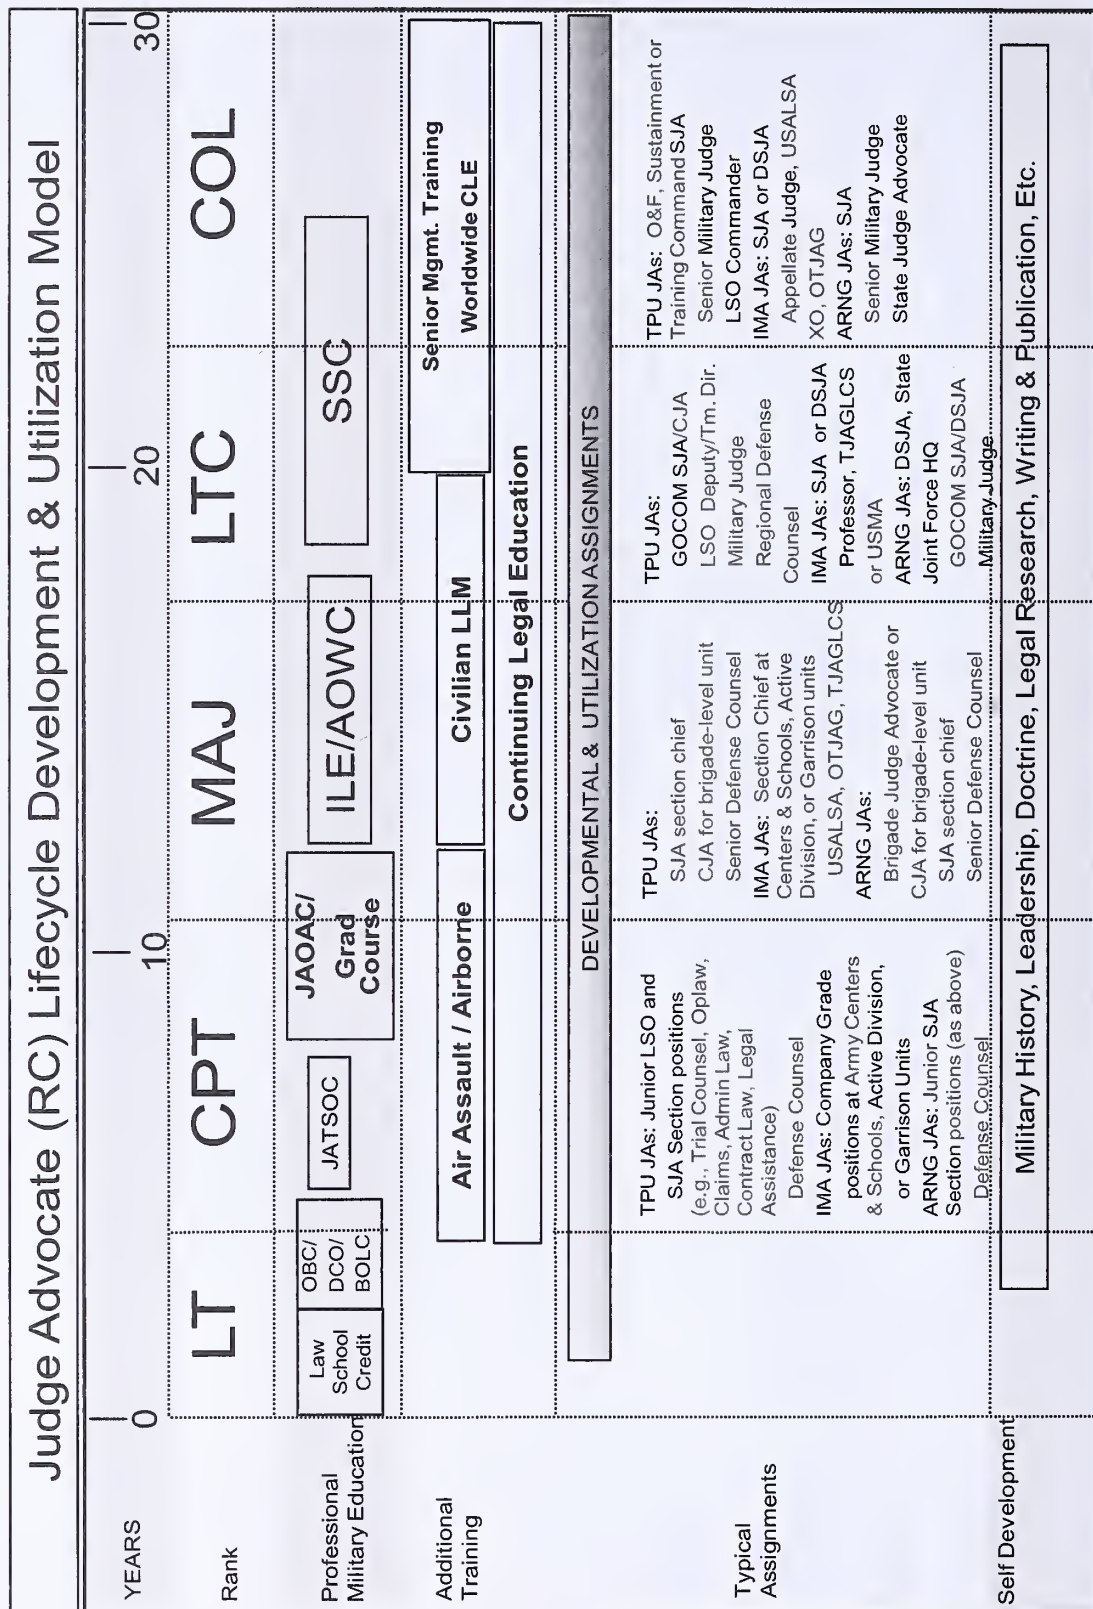

Figure 1-2. JA (ARNG/USAR) Career Development & Utilization Model (TPU, DIMA, IRR, AGR)

SECTION II. RECRUITING

2-1. GENERAL.

All JAs should be familiar with JAGC recruiting procedures and be capable of providing current information on JAGC personnel procedures to prospective applicants. Such information is available from the Judge Advocate Recruiting Office (JARO) (DSN 426-2822; Commercial (703) 696-2822; Toll Free: 1-866-ARMYJAG; <http://www.jagcnet.army.mil/JARO>)

2-2. EQUAL OPPORTUNITY.

Equal opportunity for all Soldiers is the only acceptable standard in the Army. This principle applies to every aspect of career development and utilization in the JAGC and is equally important in the recruitment process. The various thoughts and ideas offered by Soldiers of diverse gender, cultural, racial and ethnic background, are a great source of strength for the JAGC.

2-3. INTERN PROGRAM.

TJAG hires, on a part-time basis during school summer vacations, approximately 100 first and second year law students to work in Army legal offices throughout the United States; US Army, Europe (USAREUR); and Eighth United States Army (Korea). The program is designed to show law students the opportunities for the practice of law in the JAGC. Its success depends largely on the efforts of Staff Judge Advocates (SJAs) and other supervisors to provide a balanced work program and an accurate evaluation at the end of the work period. SJAs should provide adequate resources and diverse exposure to the interns to ensure they are able to have a productive, developing year and leave the office with a positive view of the JAGC. The intern's evaluation will become part of the application if an intern applies for a JAGC commission. The program is contingent on annual funding.

2-4. STUDENT VOLUNTEER (INTERNSHIP) PROGRAM.

Each year, TJAG may accept a number of qualified law students as voluntary interns (to serve without pay) to perform legal duties at various locations. Student volunteers perform duties pursuant to academic credit programs of their law schools and are not employees of the US Government. This program is designed to complement the Intern Program as a means of informing law students of practice opportunities in the JAGC. SJAs will develop a performance plan in concert with the student volunteer and the law school. During the internship, SJAs and supervisors will provide instruction, guidance, analysis, and evaluation. Interested applicants, SJAs, or law schools should contact the JARO. All requests for participation in the student volunteer intern program must be submitted to the JARO by the office interested in hosting a volunteer intern. JARO will process and forward such requests to OTJAG for final approval or disapproval.

2-5. JAGC RECRUITING.

a. Applications for appointment as a JA are received from law students, ROTC graduates on educational delay, active members of the civilian bar, active duty commissioned officers seeking participation in the Funded Legal Education Program (FLEP), commissioned officers seeking a service or branch transfer and enlisted soldiers who are bar members. Each applicant must be interviewed by a Field Screening Officer (FSO) appointed by TJAG. In the case of FLEP applicants, the SJA of the applicant's command will conduct the interview as described in AR 27-1.

b. Selected active duty JAs are appointed by TJAG as FSOs. FSOs visit American Bar Association approved law schools in their assigned regions to provide information concerning the JAGC and to interview and evaluate applicants for appointment. An interview report is submitted for each interviewee. Evaluation by an FSO is a critical part of the selection and appointment process, and such duty will be given high priority by SJAs. Separate instructions concerning recruiting procedures are provided to each FSO before 1 September annually. See AR 27-1.

c. The FLEP (10 U.S.C. § 2004) authorizes the annual selection of up to 25 active duty Army officers to attend law school at government expense. The actual number selected may vary from year to year depending on funding. See paragraph 3-3, below.

SECTION III. JAGC COMMISSIONING PROGRAMS

3-1. DIRECT COMMISSION AND ORDER TO ACTIVE DUTY OF FORMER JAS.

a. Individuals receive a Regular Army appointment in the JAGC by submitting an application for consideration by a selection board. See AR 27-1, *Judge Advocate Legal Services*; AR 135-100, *Appointment of Commissioned and Warrant Officers of the Army*; AR 601-100, *Appointment of Commissioned and Warrant Officers in the Regular Army*; and AR 614-100, *Officer Assignment Policies, Details, and Transfers*. The Chief, PP&TO, determines the number of candidates to be appointed each fiscal year. The goal is to add enough quality lawyers, within authorized manpower limitations, to ensure accomplishment of the Army legal service mission while providing a fair opportunity for qualified officers to progress through the ranks of the JAGC in a normal career pattern.

b. JAGC Accession Selection Boards meet twice annually (normally in the Spring and Fall) to consider eligible applicants to fill projected vacancies. These Boards are convened personally by TJAG and all board members are JAs.

c. The Accession Selection Boards consider all applicants for the JAGC, to include officers with prior service in the JAGC, another branch or component of the Army, or another service of the military.

d. Applicants in another service must request an inter-service transfer in accordance with that service's regulations and submit an application for appointment in accordance with AR 27-1.

e. All active duty Army officers applying for an active duty commission through the Accession Selection Board must submit an application for consideration in accordance with AR 27-1.

f. Applicants will enter active duty in the JAGC in a Regular Army status. Applicants who have Regular Army status in another branch of the Army at the time of their selection for JAGC service will be appointed in the JAGC upon acceptance. See paragraph 3-3c below for FLEP officers appointment in the Judge Advocate General's Corps. Applicants who have Regular Army equivalent status in another service will be appointed in or assigned to the Army JAGC in a Regular Army status.

g. Officers who enter or re-enter active duty in the grade of CPT or above are not eligible for promotion consideration by boards that convene before the first anniversary of the effective date of the officer's placement on the active duty list. See AR 600-8-29, paragraph 1-10e(5).

3-2. INITIAL ACTIVE DUTY GRADE.

a. Individuals who do not qualify for appointment as captains before being ordered to active duty will be appointed as first lieutenants and placed on the active duty list. JAs ordered to active duty as first lieutenants are usually promoted to the grade of captain upon completion of Initial Military Training. See AR 135-100 and AR 600-8-29. For officers ordered to active duty in a grade other than first lieutenant, a date of rank determination will be made as soon as possible after entry on active duty. Individuals are responsible for providing the required documentation to PP&TO for submission to Human Resources Command (HRC). For Regular Army Judge Advocates, unless an officer has prior commissioned military service, most individuals are appointed as first lieutenants. First lieutenants are considered for promotion upon completion of all phases of the Judge Advocate Officer Basic Course (BOLC B, DCO BOLC, and BOLC II). Promotion to captain is processed by a Captain Certification Board held three times a year.

b. For officers accepting an appointment to the Army Reserve, a date of rank determination will be made by JARO. For officers in the Army Reserve, unless an officer has prior commissioned military service, most individuals are appointed as first lieutenants. First lieutenants are considered for promotion upon completion of all phases of the Judge Advocate Officer Basic Course (BOLC B and DCO) and after completing one year time in service. Promotion to captain is processed by a Captain Certification Board held three times a year. Individuals are responsible for providing the required documentation to PP&TO for submission to Human Resources Command.

3-3. FUNDED LEGAL EDUCATION PROGRAM. (See 10 U.S.C. § 2004 and AR 27-1)

a. The FLEP authorizes the annual selection of not more than 25 active duty commissioned officers to attend law school at government expense. The program is limited to officers who are serving in the grade of CPT or below and have not less than two years nor more than six years of active duty, including warrant and enlisted service, computed from the date that legal training begins. Legal training begins on the first day of formal instruction at law school. These requirements are statutory and cannot be waived. Aviation officers, once selected for the FLEP, must forego Aviation Career Incentive Pay (ACIP). Applicants are required to submit a request for voluntary permanent disqualification for aviation service with the FLEP application for later processing if selected. See AR 614-100, AR 600-105, and AR 27-1.

b. Applications must be submitted before 1 November each year for consideration by the FLEP Selection Board. This board is convened by TJAG and is composed of three JAs and two non-JAGC officers. It normally meets in early December and selections are announced by late December.

c. Officers who are selected for the program retain their basic branch designation and are detailed to the JAGC until later appointed in or assigned to the JAGC, discharged, released from active duty, or returned to the control of another branch.

d. Officers selected for the program must apply to at least one law school where the selectee qualifies for resident tuition, and may also be directed to apply to additional schools. The selectee's choice of law schools to which he or she will attend is subject to the approval of TJAG. Generally, officers will attend a state-supported law school in a state where they are eligible for in-state tuition rates.

e. Officers participating in the FLEP are assigned to field SJA and Trial Defense Service offices for on-the-job training (OJT) when classes are not in session. They may be assigned legal duties as described in paragraph 11-1d, below. Because they are not yet qualified attorneys, they will not give legal advice under any circumstances to legal assistance clients or other members of the command. This rule ensures that only qualified lawyers provide such advice, and is intended to protect both clients and FLEP officers. Accordingly, during periods of OJT and until they are admitted to practice, FLEP officers will continue to wear the insignia of their basic branch. See AR 27-1.

f. While performing OJT, officers participating in the FLEP will receive an OER to cover the rated and non-rated time while in the program in accordance with AR 623-3. For example, an OJT OER will cover the dates from the day after the date of the last OER to the last day of the OJT. There will be non-rated time on the OER to account for days of the year attending law school which an AER also covers.

g. FLEP officers must take the first bar examination offered after graduation in the jurisdiction of the law school attended or in the jurisdiction of the officer's domicile. If approved, by TJAG they may take the bar examination in another jurisdiction. FLEP participants who twice fail a bar examination may be released from their JAGC detail and returned to their basic branches for assignment. FLEP participants who twice fail a bar examination may be released from their JAGC detail and returned to their basic branches for assignment.

h. FLEP officers will not normally be assigned OCONUS until they have passed the bar examination. Chief, Personnel, Plans, and Training Office, may, on a case-by-case basis, assign a FLEP officer OCONUS.

i. In the event a FLEP officer fails a bar examination, the officer will pay all expenses incurred traveling to and from his or her duty station and the bar test site for a second exam. In addition, the officer will be in a leave status when traveling and taking the bar.

j. Officers who complete the FLEP and who are admitted to the bar will remain detailed to the JAGC for a minimum of one year in order to evaluate their qualifications for appointment or assignment in the JAGC. The one-year period commences on the date an officer completes the Judge Advocate Officer Basic Course. The first regularly scheduled Accessions Board to convene after the FLEP officer serves a one-year detail will consider these officers for appointment in the JAGC. Consideration is automatic and applications are unnecessary; however, evaluation letters from supervising JAs, updated DA photos, and new statements or certificates of good standing from the attorney's licensing authority are required.

k. FLEP officers who have been "authorized to practice law in the Judge Advocate Legal Services (JALS)" become members of the JAGC competitive category for promotion

consideration and will be considered for promotion by the JAGC promotion selection board. "Authorization to practice law in the JALS" is outlined in AR 27-1. Before authorization to practice law in JALS, they are members of their basic branches for retention and promotion purposes and are considered for retention/promotion by the retention/promotion selection board for those competitive categories. Before authorization to practice law in JALS, officers detailed to the JAGC who are in the zone of consideration for promotion (promotion zone) of their basic branches and fail to be selected will be considered for return to their basic branches.

1. Upon graduation from law school and admission to practice in the JAGC, FLEP officers are expected to perform JAGC attorney duties. They will neither solicit nor encourage selection for federal or state judicial clerkships.

3-4. SERVICE OBLIGATION.

a. Individuals who enter active duty for an initial tour incur a four-year service obligation, except those who received ROTC scholarships, who must serve for a period commensurate with their ROTC scholarship terms. Branch or inter-service transferees incur a four-year service obligation that begins upon transfer.

b. Individuals who successfully complete the FLEP incur a two-year obligation for each year of law school (or part thereof) attended under the program. Service of this obligation begins upon reporting to the JAGC Basic Course or when the officer begins performing legal duties as prescribed by TJAG, whichever occurs first. This obligation must be served in consecutive JAGC assignments, and runs consecutively, not concurrently, with any other active duty service obligations. See AR 135-91, *Service Obligations, Methods of Fulfillment, Participation Requirements, and Enforcement Procedures*; and AR 350-100, *Officer Active Duty Service Obligations*.

c. Curtailment of active duty service obligations (ADSOs) will not normally be granted to allow resignation prior to scheduled expiration of term of service (ETS). In the event an officer resigns or is released before completing his or her ADSO, recoupment of a pro-rata share of a ROTC scholarship and/or FLEP law school tuition will be required.

d. After completion of the Graduate Course, the policy is to ensure that officers remain on active duty for at least two years after graduation. Regulatory ADSOs will normally be considered for waiver based on the current strength posture after the completion of two years after Graduate Course graduation.

SECTION IV. JUDGE ADVOCATE OFFICER INCENTIVE PROGRAM

The FY10 Judge Advocate Officer Incentive Program (JAOIP) includes the following incentive programs: Student Loan Repayment program (SLRP); Judge Advocate Continuation Pay program (JACP); and the Judge Advocate Critical Skills Retention Bonus program (JACSRB). The JAOIP was created to facilitate the accessing and retaining of lawyers in the Regular Army (Active Component (AC)) Judge Advocates. The program is limited to Regular Army officers on the Active Duty List (ADL) in the rank of lieutenant through major who meet specific eligibility criteria. All programs are subject to availability of funds.

4-1. STUDENT LOAN REPAYMENT PROGRAM

a. Purpose: The Student Repayment program is designed to encourage lawyers to access onto active duty as a Regular Army (Active Component (AC)) Judge Advocates. It is also intended to assist in the repayment of student loans incurred prior to accessing onto Active Duty as a Judge Advocate.

b. Eligibility: Individuals are eligible for SLRP under the following conditions:

(1) Contracted ROTC Educational Delay officers: following selection for the Educational Delay program by the Department of the Army/ROTC Selection and Branching Board to:

(a) Execute a contract addendum (DD Form 2475); and

(b) Access into the Regular Army Judge Advocate General's Corps agreeing to an initial four year active duty service obligation.

(2) Direct commissions: At the time of the individual's commissioning in the Regular Army Judge Advocate General's Corps they have:

(a) Completed their Bachelor's degree; and

(b) Complied with other accession requirements into the JAGC as outlined in AR 27-1, Chapter 13; and

(c) Completed a DD Form 2475; and

(d) Completed a DA Form 160-R, agreeing to an initial four year active duty service obligation in the JAGC; and

(e) This includes individuals who previously served in the armed forces but have not had their law school education funded through the armed forces.

c. Loan Repayment Criteria and Procedures: The maximum reimbursable loan amount is \$65,000. Upon acceptance of the written agreement to serve in the Regular Army in the

JAGC for four years, no additional loans may be added. Individuals will sign the DD 2475 upon notification of selection from a JAGC Accession Selection Board. The Judge Advocate Recruiting Office (JARO) must ensure an agreement for the SLRP is included with the service commitment paperwork.

(1) Eligible loans: Per reference 1b, the Army is authorized to pay on the following loans:

(a) Any loan made, insured, or guaranteed under part B of title IV of the Higher Education Act of 1965 (20 U.S.C. § 1071 et seq.);

(b) Any loan made under part D of such title (the William D. Ford Federal Direct Loan Program, 20 U.S.C. § 1087a et seq.);

(c) Any loan under part E of such title (20 U.S.C. § 1087a et seq); or

(d) Any loan incurred for educational purposes made by a lender that is:

(1) an agency or instrumentality of a State;

(2) a financial or credit institution (including an insurance company) that is subject to examination and supervision by an agency of the United States or any State;

(3) a pension fund approved by the Under Secretary of Defense for Personnel and Readiness for the purposes of this program.

(4) a non-profit entity designated by a state, regulated by such state, and approved by the Under Secretary of Defense for Personnel and Readiness for the purposes of this program.

(2) Loan repayment procedures:

(a) The portion or amount of a loan that may be repaid is 33-1/3 percent or \$1500, whichever is greater, for each year of service during the initial four year active duty service obligation. Repayment of any such loan shall be made on the basis of each complete year of active service performed by the borrower. The amount repaid each year will be calculated from the total remaining original unpaid principal verified by the loan holder; however, the remaining principal cannot exceed the total amount borrowed.

(b) Only loans that qualify for a deferment or forbearance shall be considered for repayment under the SLRP.

(c) The eligible SLRP applicant will be counseled to contact his/her loan holder to request a deferment or forbearance prior to signing contract addendum. If the loan is ineligible for a deferment or forbearance then the loan does not qualify for repayment

under the SLRP. The US Army does not assume an individual's loan; the individual remains responsible for the status of the loan.

(3) Repayment of loans described in paragraphs 5a for service performed on active duty as a member in an officer program specified by the Secretary of the Army.

(a) Repayments are subject to federal and state income taxes as taxable income in the year repayment is made. The Defense Finance and Accounting Service (DFAS) will send the Soldier a W-2 form (1099) separate from the W-2 received for military pay.

(b) When an individual separates from active duty prior to completion of their initial service obligation term, a copy of DD Form 214, Member 4, Certificate of Release of Discharge from Active Duty must be submitted to the address indicated in item 3f. Submission of DD Form 214 will effect determination for possible future payments toward qualifying loans.

(c) If an individual has been on active duty for 10 months and is an SLRP participant and has not heard from the Personnel, Plans and Training Office of the JAGC, they should contact in writing the following:

OTJAG-PT
ATTN: Incentives Manager
1777 N. Kent St.
Rosslyn, VA 22209

d. Initial Active Duty Service Obligation (ADSO): An individual that participates in the SLRP must complete the initial four year ADSO in the Regular Army JAGC. An officer who, voluntarily or because of misconduct, fails to satisfactorily serve the period required by AR 350-100, Table 3-1 may be required to refund to the United States IAW reference d. An obligation to reimburse the United States imposed under this program agreement is for all purposes a debt owed to the United States; further, a discharge in bankruptcy under title 11 that is entered less than five years after the termination of the loan program agreement (DD 2475) does not discharge this debt.

e. SLRP Payment Amount: The maximum total loan repayment under SLRP is \$65,000. If authorization is approved to increase this cap, then the JAGC will request to increase this amount. The annual payments for each year of active service after the initial JAGC ADSO by the member will be \$1,500 or 33-1/3 percent of the member's qualifying loans, whichever is greater.

f. Relationship to other pay and allowances: The loan repayment under this regulation is in addition to any other pay and allowances to which the officer is entitled. Newly accessed Judge Advocates will have to choose between the Critical Skills Accession Bonus

g. Specific requirements: Responsibilities identified as necessary for implementation.

(1) OTJAG-PP&TO: Will ensure applicant contracts for the SLRP for direct commissionees and has written documentation within their ADSO agreement. Incorporate all eligible SLRP participants identified by Cadet Command into the OSLRP database. Set up individual files for each eligible participant. Contact and provide DD Form 2475 to all eligible SLRP participants on or about their eighth month of active duty.

(a) Upon receipt of completed DD Form 2475 from loan holder, authorizes and submits eligible amount of payment and payment information to DFAS for check disbursement.

(b) Provides letter notifying Soldier of authorized payment.

(c) Assists Soldier in any disputes regarding authorized payments.

(2) Cadet Command: Will ensure applicant contracts for the SLRP from the ROTC Ed Delay population and has written documentation within their ADSO agreement. Identify all eligible SLRP participants and provide listing of names, SSN, and BASD to OTJAG-PP&TO. Supply applicant with information regarding the SLRP process.

(3) Defense Finance and Accounting Service (DFAS):

(a) Disburses payment.

(b) Mails payment to loan holder.

(c) Reports to PP&TO the completed transaction (date of payment, check number, voucher number, payment amount, payment address, and voucher number).

(d) Identifies tax codes associated with payment.

(e) Provides Soldier with W-2 at tax year end for payments authorized under the SLRP.

(4) Soldier:

(a) Ensures SLRP is included in their commissioning contract.

(b) Dis-enrolls from the MGIB, if applicable.

(c) Maintains loans in good standing.

(d) Applies for and maintains forbearance on all loans. Makes sure the loan holder has contact information to provide to PP&TO. Loan status is the borrower's responsibility.

(e) Pays taxes on SLPR payments at the tax year end.

a. I understand the option selected above constitutes a voluntary and legally binding retention action. I will not be released from active duty before fulfilling the term of ADSO agreed to in paragraph 12 above and also outlined in my agreement to access into the Regular Army JAGC.

b. I have been advised and understand that I must remain technically qualified in my current branch. I understand that I will be considered not technically qualified if I voluntarily or because of misconduct am precluded from performing my current or any future assignment in that branch. These actions may include, but are not limited to:

(1) I refuse to perform certain duties for which I volunteered prior to my accepting the incentive indicated and which are required for effective performance in the branch.

(2) Disciplinary action taken under UCMJ or civil court conviction disqualifies me for future performance in the branch.

(3) My own misconduct causes injury, illness, or some other condition that interferes with effective performance in the branch.

(4) Withdrawal of the minimum security clearance, or loss of any other mandatory qualification required for effective performance in the branch to include the maintenance of a status of good standing in at least one jurisdiction/licensing authority.

(5) Application for and receipt of conscientious objector status, so that I am no longer qualified in the branch.

c. Requests for release from active duty or voluntary retirement with an effective date during the period of this agreement will be disapproved except where considered to be in the best interest of the Army. TJAG is the approving authority for these requests.

d. In the event of termination under subparagraphs b or c above, unearned SLRP payments will be recouped by the government and shall be subject to the repayment provisions of section 303a(e), Title 37 U.S.C. based on the length of SLRP active duty obligation actually served, unless the failure to complete the period of active duty specified in the agreement is due to:

(1) Death or disability that is not the result of misconduct or willful neglect and not incurred during a period of unauthorized absence or,

(2) Separation from the military service by operation of law or regulation of DOD or the Army, when waiver for recoupment has been approved by the Secretary of the Army.

e. I understand that this agreement may be canceled by the Secretary of the Army, or his designee, at any time based on the needs of the Army.

f. I understand that the availability of my incentive is subject to change based on the requirements of the Army.

g. I understand that I accrue no right to an incentive solely by signing this contract. Upon approval of this contract the Army will afford me, subject to availability, the option requested under the provisions of the above referenced message. In the event that the incentive I have indicated above is not available based on circumstances not under my control or due to lack of availability to the Army, this contract will become void.

15. I have read and understand the statements above and understand these statements are intended to constitute all the promises and guarantees concerning my participation in the FY2010 ARMY JUDGE ADVOCATE STUDENT LOAN REPAYMENT for Judge Advocate Officer Incentives Pilot Program (JAOIPP). No other (verbal or otherwise) promise or representation not contained in this agreement is valid or will be honored. I hereby state that I have not been promised anything other than what is written on this agreement and hereby waive any claim based upon any promise or representation not contained in this agreement.

4-2. JUDGE ADVOCATE CONTINUATION PAY PROGRAM

a. Purpose: The Judge Advocate Continuation Pay program was created to encourage Judge Advocates in the rank of Captain to remain on active duty.

b. Eligibility and procedures:

(1) Officers eligible for the Total (\$60,000) JACP payment are:

(a) Regular Army (RA) Judge Advocates;

(b) In the rank of captain;

(c) Who will complete their initial active duty service obligation (ADSO) as a Judge Advocate in Fiscal Year 2010 (FY10).

(2) All officers desiring JACP who meet the eligibility criteria outlined in paragraph 4a, above, must complete the Total (\$60,000) JACP application (see figure 4-2). Applications must be received by the Office of The Judge Advocate General, Personnel, Plans and Training Office (PP&TO) NLT 30 September, 2010. Payment of continuation pay will only occur upon completion of the officer's initial ADSO. Applications for continuation pay will include an agreement to incur an additional four year ADSO in exchange for continuation pay in the amount of \$60,000. The four year JACP ADSO will commence on the expiration of the officer's initial ADSO period or the date the application for continuation pay is accepted and approved, whichever is later. Final action on the officer's request for JACP will be made by the Chief, PP&TO.

(3) The Total (\$60,000) JACP is paid in two yearly installments – one payment of \$30,000 upon approval of the application and another payment of \$30,000 on the one year anniversary of the first payment.

(4) The JACP program does not apply to Active Guard Reserve or Funded Legal Education Program officers.

(5) No officer shall receive more than \$60,000 in total payments under the JACP program during the officer's lifetime.

c. Staff Judge Advocate (SJA) or equivalent supervisor responsibilities:

(1) Approval Recommendation. All requests for JACP will be processed through the SJA or equivalent supervisor. The SJA or equivalent supervisor will make a recommendation for approval or disapproval using the military memorandum format (see figure 4-3). Approval recommendations will, at a minimum, include the applicant's height and weight, state whether the applicant meets Army height and weight standards, and include any appropriate comments concerning the applicant's performance and potential. Comments should be brief.

(2) Disapproval Recommendation. Disapproval recommendations will include the information listed above, and specific reasons for the disapproval recommendation. Reasons for recommending disapproval may include, but are not limited to:

(a) Ongoing or pending investigation into a military or civil offense(s).

(b) Pending involuntary separation action in accordance with AR 600-8-24.

(c) Misconduct or substandard duty performance rendering the officer a poor candidate for retention on active duty.

d. Notification procedures for a JACP request with a disapproval recommendation.

(1) Judge Advocates must be counseled on the reason(s) their JACP application is recommended for disapproval. The SJA or equivalent supervisor must provide the Judge Advocate with a copy of the disapproval recommendation and have the applicant sign a written acknowledgement and receipt (see figure 4-4).

(2) Applicants may submit a rebuttal to the disapproval memorandum within 14 calendar days (see figure 4-5) from the date the officer receives and acknowledges this memorandum. If no rebuttal is received within 14 calendar days, the JACP applicant forfeits any opportunity to respond. If the JACP applicant provides a rebuttal to the disapproval memorandum, the SJA or equivalent supervisor may comment further on the merits of the applicant's submission. However, if the SJA or equivalent supervisor includes additional matters not previously provided to the JACP applicant, the applicant must be provided with the new information and allowed 14 calendar days to respond. SJAs or equivalent supervisors may grant reasonable extensions to the response time.

(3) The SJA or equivalent supervisor will forward all documentation to PP&TO, OTJAG. Chief, PP&TO will take final action on the request for JACP.

e. The following officers are not eligible for continuation pay:

(1) Officers flagged under the provisions of AR 600-8-2.

(2) Officers with an approved separation or retirement date.

(3) Officers non-selected for promotion to major or lieutenant colonel.

(4) Lieutenant colonels.

(5) Active Guard Reserve officers.

(6) Funded Legal Education Program officers.

f. Recoupment:

(1) Except for those circumstances under which recoupment will not be sought, officers who do not remain on active duty for the entire period for which a JACP ADSO

was incurred shall, except as otherwise provided, reimburse the Government that part of the payment equal to the percentage of service not performed of the total provided for in the application/agreement.

(2) The Secretary of the Army (or his designee) may waive, in whole or in part, the reimbursement if the Secretary determines that waiver is contrary to an Army personnel policy or management objective; against equity or good conscience; or contrary to the best interests of the United States.

(3) An obligation to reimburse the United States under an agreement described in paragraphs 4 - 6 is, for all purposes, a debt owed to the United States. A discharge in bankruptcy under title 11, United States Code, which is entered less than five years after the termination of an agreement under this program does not discharge the Judge Advocate signing the application from a debt arising under such agreement.

(4) An officer may not repay voluntarily an amount equal to the percentage of the unserved time on the agreement solely to reduce the period of obligated service.

g. Miscellaneous:

(1) JACP ADSOs run concurrently with PCS, graduate course, and Command and General Staff College ADSOs. However, continuation pay ADSOs run consecutively with other continuation pay and Critical Skills Retention Bonus (CSRB) ADSOs.

(2) All payments under the JACP program will be lump sum installments, consisting of two annual installments of \$30,000 each.

(3) Receipt of continuation pay will be subject to normal DFAS processing time. The individual officer is liable for payment of all federal, state, and local taxes on any amounts paid under this program.

(4) In the event an officer serving under a continuation pay agreement dies before receiving the full amount of the pay due, the remaining unpaid balance is payable as a lump sum in the settlement of the deceased officer's final military pay account, provided the officer's death was not the result of the officer's misconduct.

(5) The Chief, PP&TO is delegated authority to administer the continuation pay program and to execute continuation pay contracts. TJAG retains authority to grant eligibility exceptions. Requests for exceptions to this implementing guidance will be held until the end of the fiscal year for determination of approval or denial.

(6) Electronic copies of JACP applications are available on JAGCNet/PP&TO.

MEMORANDUM THRU STAFF JUDGE ADVOCATE

FOR CHIEF, PERSONNEL, PLANS & TRAINING OFFICE, OFFICE OF THE JUDGE
ADVOCATE GENERAL, 1777 NORTH KENT STREET, ROSSLYN, VA 22209-2194

SUBJECT: Request for FY10 Total (\$60,000) Judge Advocate Continuation Pay (JACP)
Payment

1. I request JACP effective immediately upon completion of my initial Active Duty Service Obligation (ADSO) as a Judge Advocate. Contingent upon the recommendation of the Staff Judge Advocate (SJA) or equivalent supervisor and subsequent approval of this application for continuation pay in an amount of \$60,000, I agree to incur a four year ADSO for the JACP. I understand and agree that this four year JACP ADSO will begin upon completion of my initial ADSO, or upon the date this application for JACP is accepted and approved, whichever is later. I understand and agree that I must have my SJA's or equivalent supervisor's recommendation and The Judge Advocate General's (or his designee) approval to receive continuation pay.

2. I understand that the \$60,000 JACP will be paid in two yearly installments of \$30,000.

3. Recoupment.

a. Except for those circumstances under which recoupment will not be sought pursuant to TJAG's JACP implementing guidance, officers who do not remain on active duty for the entire period for which a JACP ADSO was incurred shall, except as otherwise provided, reimburse the Government that part of the payment equal to the percentage of service not performed of the total provided for in the application/agreement.

b. I understand and agree that the Secretary of the Army (or his designee) may waive, in whole or in part, any reimbursement if the Secretary determines that waiver is contrary to an Army personnel policy or management objective; against equity or good conscience; or contrary to the best interests of the United States.

c. I understand and agree that a discharge from bankruptcy that I enter into less than five years after the termination of this continuation pay agreement does not relieve me from these recoupment provisions.

4. In the event that I am serving under this JACP agreement and die before receiving the full amount of the pay due, the remaining unpaid balance is payable as a lump sum in the

settlement of my final military pay account, provided my death was not the result of my own misconduct.

5. I understand and agree that I may not repay voluntarily an amount equal to the percentage of any unserved time on this agreement solely to reduce the period of obligated service provided for in this agreement.

6. I understand and agree that all payments under this program will be in a lump sum and that I am responsible for all applicable federal, state, and local taxes under the law.

7. I hereby certify that the foregoing information is true and accurate.

4-3. JUDGE ADVOCATE CRITICAL SKILLS RETENTION BONUS PROGRAM

a. Purpose: The Judge Advocate Critical Skills Retention Bonus program was created to encourage young Judge Advocates in the rank of Major to remain on active duty.

b. Eligibility:

(1) Regular Army JAGC majors: Regular Army JAGC (Area of Concentration 27A/27B) officers who reach the rank of major, graduate from the JAGC Graduate Course, and execute a timely application containing an agreement to remain on active duty for an additional four year Active Duty Service Obligation (ADSO) are eligible for a \$60,000 CSRB, paid in three yearly installments.

(2) Funded Legal Education Program (FLEP) majors: FLEP majors are eligible for CSRB at the time of their promotion to major and graduation from the Graduate Course. The CSRB ADSO will be served consecutively to any remaining FLEP ADSO the officer may have, and will commence after the remaining FLEP ADSO is complete.

(3) Senior accessions: Senior accessions into the JAGC at the rank of major will be treated like FLEPs for the purpose of CSRB. The CSRB ADSO will be served consecutively to the initial ADSO the officer incurred for the most recent accession into the Regular Army, and will commence after the initial ADSO is complete.

(4) Standards of conduct: To be eligible for CSRB, a Judge Advocate must maintain the highest levels of ethical, professional, and personal conduct; moral behavior; and legal proficiency. Acts that constitute a failure to adhere to these standards, as determined by The Judge Advocate General (TJAG), may result in disqualification from or termination of CSRB.

(5) Application submission: To be eligible, the officer must submit an application in the fiscal year in which the officer fulfills the last of the two requirements for eligibility (i.e., promotion to major and graduation from the Graduate Course, see Figure 4-6).

c. Payment Procedures:

(1) Although officers do not need to meet the two requirements for eligibility in any particular order, both must be satisfied before payment is authorized.

(2) The first installment of \$10,000 will be paid upon the fulfillment of both requirements (i.e., promotion to major and graduation from the Graduate Course) or upon approval of the officer's application, whichever is later. The next installment of \$20,000 will be paid one year later on the first payment's anniversary. The last installment of \$30,000 will be paid two years after the first payment's anniversary.

(3) The CSRB is in addition to any other pay and allowances to which the officer is entitled.

(4) A Judge Advocate may not receive a total of more than \$200,000 in payments under 10 U.S.C. § 355. If an officer has previously received \$200,000 under the CSRB authority, the officer may not receive additional CSRB payments. If an officer has previously received less than \$200,000 under the CSRB authority, the amount the officer may receive under this program may be reduced to ensure that the officer does not receive more than the lifetime statutory amount.

d. Active Duty Service Obligation:

(1) The officer will incur an ADSO of four years, which will commence on the date the officer is promoted to major, the date the officer graduates from the Graduate Course, or the date the officer's application for CSRB is approved, whichever is later.

(2) The ADSO will be served consecutively to other statutory ADSOs.

e. Application Process:

(1) The Judge Advocate must submit an application in the fiscal year the officer becomes eligible. Pending TJAG's approval, if an officer is involuntarily deferred from attending the Graduate Course, he may submit his application in the fiscal year he is normally supposed to attend the course as long as he is a major.

(2) Although an officer may not have completed both requirements for eligibility (i.e., promotion to major and graduation from the Graduate Course), the officer may submit an application in anticipation of becoming eligible for payment in that fiscal year. The application will be approved upon completion of all requirements.

(3) Staff Judge Advocate (SJA) or equivalent supervisor responsibilities:

(a) Approval Recommendation. All requests for CSRB will be processed through the SJA or equivalent supervisor. The SJA or equivalent supervisor will make a recommendation for approval or disapproval using the military memorandum format (see figure 2). Approval recommendations will, at a minimum, include the applicant's height and weight, state whether the applicant meets Army height and weight standards, and include any appropriate comments concerning the applicant's performance and potential. Comments should be brief.

(b) Disapproval Recommendation. Disapproval recommendations will include the information listed in paragraph 3a, above, and specific reasons for the disapproval recommendation. Reasons for recommending disapproval may include, but are not limited to: (1) ongoing or pending investigation into a military or civil offense(s); (2) pending involuntary separation action in accordance with AR 600-8-24; or (3) misconduct or substandard duty performance rendering the officer a poor candidate for retention on active duty.

(c) Notification procedures for a CSRB request with a disapproval recommendation:

(1) Judge Advocates must be counseled on the reason(s) their CSRB application is recommended for disapproval. The SJA or equivalent supervisor must provide the Judge Advocate with a copy of the disapproval recommendation and have the applicant sign a written acknowledgement and receipt (see figure 3).

(2) Applicants may submit a rebuttal to the disapproval memorandum within 14 calendar days (see figure 4) of receipt and acknowledgement of the disapproval notification. If no rebuttal is received within 14 calendar days, the CSRB applicant forfeits any opportunity to respond. If the CSRB applicant provides a rebuttal to the disapproval memorandum, the SJA or equivalent supervisor may comment further on the merits of the applicant's submission. However, if the SJA or equivalent supervisor includes additional matters not previously provided to the CSRB applicant, the applicant must be provided with the new information and allowed 14 calendar days to respond. SJAs or equivalent supervisors may grant reasonable extensions to the 14 calendar day response time period.

(3) The SJA or equivalent supervisor will forward all documentation to PP&TO, OTJAG. Chief, PP&TO will take final action on the request for CSRB.

f. The Personnel, Plans, and Training Office (PP&TO) will ensure Judge Advocates requesting the CSRB use the enclosed application. Any modifications to the format or terms of the application will be coordinated with the Chief, PP&TO before dissemination for use by eligible Judge Advocates.

g. Officers who fail to remain certified and qualified in the critical military skill or to satisfy the ADSO shall be subject to the repayment provisions of 37 U.S.C. § 303a.

SECTION V. ASSIGNMENTS

5-1. ASSIGNMENTS AND PROFESSIONAL DEVELOPMENT.

a. Professional development of the JA is accomplished by progressively more challenging assignments to organizations in the field and at higher headquarters, along with opportunities for schooling. The general career development and education models for JAs are at figures 1-1 and 1-2. This section explains the JAGC assignment philosophy and how it relates to the model.

b. All assignments are made in the best interests of the Army. The objective of JAGC assignment policy is to build an expert, flexible force by balancing the needs of the Army, professional development, personal and family needs, and personal preferences in every assignment. While personal preferences are considered, circumstances often require that individual desires or needs be subordinated to the needs of the Army.

c. Proven performance and potential as reflected in officer evaluation reports are the key factors in deciding who is the best qualified officer for an assignment. PP&TO's goals are to develop every officer professionally, ensure diversity of assignments, and provide opportunities for management, leadership, and education.

d. Pre-Graduate Course assignments are key developmental milestones for new JAs. The initial assignment is normally the time when JAs develop basic technical skills and learn about the Army. SJAs and other heads of legal offices will rotate newer officers through as many different duties as sound management and the local mission allow. This rotation provides a firm foundation on which later training and assignments will build and helps officers make more informed career choices as they become more senior in grade. Officers whose initial assignments are to organizations whose missions are more limited may be reassigned during their initial obligated tour to have the opportunity for assignment to offices with greater diversity of duties.

e. The Graduate Course prepares JAs to become middle managers, practitioners in specialized areas, and instructors. After the Graduate Course, officers typically are assigned as brigade combat team (BCT) Judge Advocates; senior defense counsel; deputy Staff Judge Advocates; branch and division chiefs in field offices and at the appellate divisions; specialized practitioners at acquisition activities, joint commands, Army Commands, Army Service Component Commands, Direct Reporting Units, USALSA, OTJAG, HQDA, and OSD; and instructors at The Judge Advocate General's Legal Center and School (LCS), Intermediate Level Education (ILE)/Advanced Operations and Warfighting Course (AOWC), and the United States Military Academy. Most officers reach eligibility for ILE/AOWC and advanced civil schooling during these assignments. After promotion to lieutenant colonel, officers will be considered for assignments as regional defense counsel, Staff Judge Advocates, military judges, branch and division chiefs at higher headquarters and specialists in particularly complex practice areas. Most officers nearing promotion to colonel become eligible for selection to attend resident senior service college or the Army War College Distance Education Program. Colonels comprise

the senior leadership of the JAGC and are the senior counsel to the leaders of the Army and DOD.

f. There is no single path to success in the JAGC. Sustained superior performance in a variety of assignments that develop and display each officer's skills as an attorney, manager, and leader are the guarantors of success. The JAGC needs specialists as well as generalists. The JAGC recognizes the need to develop skilled practitioners in other critical specialty areas of the law. The JAGC also recognizes its obligation to distribute talented officers fairly throughout the Corps: between TDA and TOE units, between CONUS and OCONUS commands, between Washington DC and the field, and between instructors who educate the Army and the legal advisors supporting commanders in day-to-day operations. The JAGC's assignment, schooling, and promotion practices reflect these concerns.

5-2. RESPONSIBILITIES.

- a. TJAG assigns all SJAs and has final authority over all JAGC assignments.
- b. The Chief, PP&TO, is responsible for recommending colonels' assignments to TJAG.
- c. Assignments of military judges are made as described in Section VIII below.
- d. The Chief, PP&TO, is responsible for all other assignments.
- e. The Judge Advocates of US Army, Europe, (USAREUR) and Eighth US Army will coordinate with the Chief, PP&TO, in assigning all JAs within their respective areas, other than SJA, Regional Defense Counsel, and military judge positions.
- f. SJAs and other heads of legal offices participate fully in the assignment process. They identify needs, explain the assignment process to their subordinates, provide career advice, and make recommendations about assignments. They also implement the JAGC's assignment goals by tailoring JAs' duties according to their stage of professional development. They are the JAGC's trainers.
- g. The most critical link in the personnel management process is the individual officer. Each officer is ultimately responsible for his or her own career. All officers have the right and responsibility to communicate directly with the appropriate personnel management officer in PP&TO. Junior grade Judge Advocates are encouraged to consult their supervisory Judge Advocate prior to contacting PP&TO. With respect to the assignment process, officers should provide assignment preferences to PP&TO at least six months before the end of their current tours, using the format at Figure 5-1 or submit their assignment preferences using JAGCNET. All officers have a responsibility to monitor their ako email account. Field grade officers expecting to be reassigned in the normal summer assignment cycle should contact PP&TO in September of the preceding year.

5-3. TOUR LENGTH.

Assignments in the continental United States (CONUS) are normally two to three years. However, the relatively small size of the JAG Corps and the need to staff all legal offices properly and to develop the careers of all Judge Advocates often requires shorter tours. Tour lengths for overseas tours are outlined in AR 614-30.

5-4. INITIAL ASSIGNMENT PRACTICES.

a. New JAs typically attend to the Judge Advocate Officer Basic Course en route to their first duty stations, although a few are assigned in a delayed schooling status to installations before attending the Basic Course. All officers are eligible for overseas assignment as an initial assignment. Newly commissioned officers and officers detailed to the JAGC serving in their initial JAGC assignments normally are not assigned to the following organizations:

- (1) OTJAG (including U.S. Army Claims Service).
- (2) The Judge Advocate General's Legal Center and School (LCS).
- (3) United States Military Academy Law Department.

(4) Headquarters for the following commands: USAREUR, Eighth US Army, Forces Command (FORSCOM), Training and Doctrine Command (TRADOC), Army Materiel Command (AMC), and Criminal Investigation Command (USACIDC).

(5) Small JA or Trial Defense Service (TDS) offices requiring assignment of experienced military attorneys.

b. Initial officer assignments normally will not be made to the state in which the officer is admitted to practice, the state in which the officer attended law school, or a FLEP officer's on-the-job training (OJT) station. This policy ensures that new JAs are given a full opportunity to become acclimated to the military environment.

c. Officers assigned to CONUS stations are subject to reassignment for developmental and mission related needs during their initial three-year or four-year service obligation. An officer will be reassigned once prior to the end of an initial service obligation if initially assigned to serve in a short tour area (one or two-year tour). Officers assigned to overseas areas will normally complete the overseas tour prescribed by regulation before being reassigned.

5-5. OVERSEAS SERVICE.

a. The paramount consideration for service outside CONUS is the needs of the service. To the maximum extent practicable, an officer's overseas service will be alternated between long and short overseas tours. The JAGC Personnel and Activity Directory should be consulted for a listing of those overseas locations where JAs may be assigned. Officers assigned to overseas locations may serve an accompanied tour or an "all others" tour as prescribed in AR 614-30.

b. The number of overseas tours in dependent-restricted areas (short tours) that an officer has completed determines eligibility for assignment to such a tour. Thus, after volunteers, officers who have not had a short tour are considered first, followed by those with one or more such tours. Within each category, officers are considered based upon the date of return from a short tour (i.e., longest back are next to go) and length of time on station. Key personnel (e.g. SJAs and other supervisors) are selected on a best-qualified basis without strict regard to date of return from their last short tour.

c. Every effort will be made to give officers assigned to a short tour a geographical preference for their next assignment, and, whenever feasible, early notification of their next assignment.

d. Overseas tours, including Alaska, and Hawaii, are normally three years. Tours in Korea vary from 12 to 24 months. Tour lengths depend on location, marital or parental status, and whether or not the officer elects to serve overseas without dependents. Overseas tour lengths are prescribed by AR 614-30.

5-6. FOREIGN SERVICE TOUR (FST) EXTENSION.

Such extension will be granted only when in the best interests of the Army (i.e., to ensure mission accomplishment). Requests will be submitted through and endorsed by the SJA, supervising JA, or commander concerned, to PP&TO. Officers stationed in US Army Europe (USAREUR) will submit requests through the Judge Advocate, USAREUR, ATTN: AEAJA-X, to PP&TO. Officers stationed in Korea will route requests through the Judge Advocate, Eighth United States Army, ATTN: FKJA-CL, to PP&TO.

5-7. TRIAL DEFENSE SERVICE (TDS).

a. TDS assignments are considered a part of normal career development in the JAGC. To ensure a balance of experience and to minimize permanent change of station costs, transfer of JAs between TDS and the installation SJA office should be made whenever practicable. When assigning a transferred defense counsel directly into a trial counsel position, Staff Judge Advocates will take care to avoid any real or apparent conflict of interest.

b. Trial defense counsel will normally be assigned to TDS for 18 months. Regional defense counsel and senior defense counsel will normally be assigned for a two-year tour.

c. As a general rule, new JAs will not be assigned to TDS. Exceptions will be made based on individual qualifications and the needs of the Army. To ensure necessary training and supervision, the assignment of Basic Course graduates to TDS will be carefully monitored. Basic Course graduates will normally be assigned to larger TDS offices that can provide the necessary training and supervision.

d. As part of the modular redesign of the Army's operational forces, there is a TDS Cell embedded in each Sustainment Brigade and a Regional Defense Counsel Cell in each Theater Sustainment Command. These Trial Defense Counsel are assigned to the Headquarters and Headquarters Company, Sustainment Brigade; however, in accordance with AR 27-10, Chapter 6 and FM 27-100, they are attached to the U.S. Army Legal Services Agency for all purposes except administrative and logistical support. The Chief, U.S. Army Trial Defense Service, exercises independent supervision, control, and direction over all Trial Defense Counsel and their mission. While performing Trial Defense Service duties, all Trial Defense Service personnel will wear the unit patch of the U.S. Army Trial Defense Service.

5-8. BRIGADE COMBAT TEAMS.

a. General. JA officers assigned to Brigade Combat Teams (BCT) must be prepared to operate under the command and control of a higher headquarters with which they have a habitual relationship. The BCT includes a Brigade Judge Advocate (BJA), a trial counsel (TC), and a senior paralegal NCO. While the trial counsel provides operational law advice and assists the BJA with legal issues across all disciplines, this officer's primary responsibility is to serve as TC and to administer all military justice matters for the BCT.

(1) Both the BJA and TC are assigned to the BCT. The BJA will work at the brigade headquarters and the TC will work at the Office of the Staff Judge Advocate (OSJA) military justice section while in garrison.

(2) The SJA will provide technical guidance to the BJA and TC as necessary; however, the BCT commander will determine the supervision of the Brigade Judge Advocate (BJA). The TC will be supervised by the BJA during operational missions and will be supervised by the OSJA chief of military justice during garrison operations.

(3) The BJA will be rated by the SJA and senior rated by the BCT commander under dual supervision provisions of AR 623-3. The TC will be rated by the BJA, intermediate rated by the BCT executive officer, and senior rated by the SJA.

b. Length of Assignments. Ordinarily, the Brigade JA will be assigned to the BCT for 36 months. The tour length of the Trial Counsel depends upon the professional developmental needs of the officer. TJAG, through the Chief, PP&TO, assigns the BJA and the OPLAW JA. It is the SJA's responsibility to monitor the professional development of the Judge Advocates assigned to the BCT which may necessitate reassignment to and from the BCT as needed. When an SJA proposes to change the duties of the OPLAW JA, he must coordinate with the BCT chain of command and Chief, PP&TO. PP&TO may

adjust the length of these assignments, based on the needs of the Army, the JAGC, and the officer concerned. See AR 600-3 for the impact of Lifecycle Management Unit designation on tour length.

5-9. COMPASSIONATE REASSIGNMENTS.

See ARs 614-100 and 614-30. Reassignment consideration will be given to cases of extreme hardship that can be alleviated only by an assignment to a specified area. The needs of the Army will be the final determining factor.

5-10. DUAL MILITARY COUPLES. (See AR 614-100)

a. There are a number of JA spouse teams and JA/other branch of service spouse teams on active duty. Whenever possible, these couples are assigned to the same general locality. This is not always possible, particularly when one member is attending a service school. When spouses are assigned to the same location, they will not have contemporaneous assignments as trial counsel and trial defense counsel. Although TJAG cannot control other branch assignments, every effort is made to coordinate with other branches to assure a joint domicile assignment. Service couples are eligible for assignment to short tour areas. If they maintain a joint domicile while on a short tour, they will serve the prescribed accompanied tour length for that area.

b. Joint domicile assignments cannot be made if the assignments officer is not aware of the marriage; therefore, it is the responsibility of each JA to ensure that official documents reflect that the officer is married to another service member. AR 614-100, paragraph 5-3a (18), provides that all service member couples should apply for enrollment in the Married Army Couples Program not later than 30 days from the date of marriage. Further, JAs should directly notify PP&TO if they marry a service member and provide a copy of the enrollment in the Married Army Couples Program. Notification should include name, grade, date of rank, social security number, and branch of service of the spouse.

c. Officers who change their names on their official military records will submit a copy of the approved name change documents to PP&TO.

5-11. WAITING FAMILIES.

Sometimes JAs must leave their families at home while TDY, deployed, or on a short tour. Colleagues of absent members are encouraged to provide for the safety and welfare of these families. Officers departing on extended TDY or on an unaccompanied tour should inform the SJA nearest to the member's family of the family location and telephone number. The SJA is responsible for assisting the family and should ensure that the family knows the SJA is available to help in any way feasible. Families should be invited to JAGC social functions, especially during the holiday seasons. All JAs should inform their families that, in addition to assistance at the nearest SJA office, the family may also call PP&TO (703/588-6798) for assistance.

5-12. SPONSORS.

The appointment of qualified, conscientious sponsors is an essential means of assisting officers upon initial and subsequent assignments. SJAs and other supervisors are responsible for ensuring that each new arrival is promptly welcomed and assisted by a sponsor.

5-13. PERSONNEL RECORDS.

(See AR 600-8-104)

a. Official Military Personnel File (OMPF). HRC is the custodian of the officer's OMPF. The OMPF is used for HQDA promotion and school selection boards. Documents for filing in the OMPF normally must be sent through the local servicing personnel office for inclusion in the OMPF. It is the officer's responsibility to ensure that the OMPF is accurate and current. Accordingly, JAs are encouraged to review their OMPF on a regular basis, to ensure that documents such as awards are properly filed. Officers can access their files online at <https://www.hrc.army.mil>. Officers can use the links at the bottom of the website to review their OMPF, Officer Record Brief (ORB) and DA photo. Officers should also contact their local personnel office to review and update their ORB. Upon the implementation of DIMHRS, it is each officer's responsibility to become trained in DIMHRS and to ensure his subordinates are trained to accomplish the mission.

b. Career Management Information File (CMIF). PP&TO maintains the CMIF, which is used in day-to-day management functions that affect the JA's career. The CMIF is not used for HQDA promotion and school selection boards; however, selected official documents from the CMIF, *e.g.*, transcripts and original OERs, are used for personnel management by PP&TO and TJAG.

c. Officer Record Brief (ORB). The one-page ORB is used both by PP&TO for assignment purposes and by HQDA selection boards. Most of the data on the ORB is entered by the local servicing military personnel office. In some cases, officers will be required to provide original documents to support changes. Officers are required to audit the ORB and provide corrections to the local personnel office at least annually. Changes should be reported to the personnel office as they occur; do not save changes for annual audits. Officers may view their ORB online at the Human Resources Command website by using their Army Knowledge Online user name and password. Upon implementation of DIMHRS, the officer's responsibilities are the same.

SECTION VI. RESERVE COMPONENT POLICIES

6-1. ARMY RESERVE ASSIGNMENTS AND TENURE.

a. The following policy applies within the United States Army Reserve. To the extent this policy is inconsistent with AR 27-1, these are exceptions to AR 27-1.

b. All Army Reserve JA positions in the grade of colonel, lieutenant colonel any staff, command, or brigade judge advocate (S/B/CJA) position and all Drilling Individual Mobilization Augmentee (DIMA) positions, are tenured positions. Assignment to these positions will not exceed three years.

(1) Only one officer will be assigned to a tenured position, unless an exception to policy is approved by TJAG or his designee.

(2) To ensure all qualified Army Reserve Judge Advocates have an opportunity to be considered for assignment to tenured positions, vacancies must be advertised on JAGCNET no later than four months before the tenure end date, and for a period of at least 60 days. Vacancy announcements must be provided to PP&TO in order for posting to JAGCNET at www.jagcnet.army.mil/RCVacancies.

(3) The senior Judge Advocate in each organization is responsible to: (1) track all tenured personnel, (2) notify PP&TO of new JA force structure modifications, (3) ensure PP&TO advertises positions in a timely fashion; and (4) comply with PP&TO requests to post vacancies.

(4) All requests for overstrength assignments and tenure extensions will be forwarded through command channels to PP&TO for TJAG decision. Applicants will forward their requests to The Judge Advocate General (DAJA-PT/Army Reserve Management), 1777 North Kent Street, Rosslyn VA 22209-2194.

c. Tenure Assignment Process.

(1) JARMIC Roundtable

(a) Applications for the following assignments will be considered on a quarterly basis by a roundtable of Reserve Component JAGC general officers, who will recommend personnel for each assignment.

- (i) Any staff, command, or brigade judge advocate (S/B/CJA) position,
- (ii) All colonel positions, and
- (iii) All military judge positions.

(b) Officers will forward their application packets for assignment as a .pdf file via e-mail to rcjag@hqda.army.mil, addressed to The Judge Advocate General (DAJA-PT/Army Reserve Management), 1777 North Kent Street, Rosslyn, VA 22209-2194.

Application packets must comply with the instructions posted in the vacancy announcement and on-line instructions. Forms and a letter of instruction may be obtained on-line at www.jagcnet.army.mil, by clicking "Personnel (PP&TO)," then "RC Vacancies," then "Tenured Position Application."

(c) The recommended assignments will be staffed to TJAG for his final approval by PP&TO. In the event that there is only one applicant for a TJAG tenured assignment as of the advertised closing date, PP&TO may staff the applicant to TJAG for approval without prior consideration of the roundtable. Officers will be selected based on their complete record of military service using the following criteria:

- a. Demonstrated performance as recorded in the OER file;
- b. Levels of responsibility in military and civilian life;
- c. Military and civilian education;
- d. Record of active duty and combat duty as an officer;
- e. Awards and decorations;
- f. Staff and command experience; and
- g. Embodies Army Values and Warrior Ethos.

(2) Tenured Assignments not Considered by the Roundtable. All lieutenant colonel positions not listed in para. 6-1c(1) above, will be filled using the following process:

(a) Any O-5 assignments within the Legal Command or its subordinate units (LSOs) will only be made after coordination with the Deputy Chief, Army Reserve Management, PP&TO and approval by TJAG or his designee. The CDR, Legal Command will prepare a slate of officers for assignment to these positions in a format specified by PP&TO, and provide the slate to PP&TO for staffing to TJAG for his final approval.

(b) Any other O-5 assignment will only be made after coordination with the senior Judge Advocate who will prepare a slate of officers for assignment to these positions in a format specified by PP&TO, and provide the slate to PP&TO for staffing to TJAG for his final approval.

(3) Officers assigned to a tenured position may not vacate their assignment before their tenure end date without the prior, written consent of TJAG. Officers may not apply for another TJAG tenured assignments until six months before their tenure end date unless an exception to policy is approved by TJAG or his designee before the officer submits his application.

(4) If an officer wishes to mobilize in a position other than their TJAG tenured position, they must seek TJAG's approval. Upon approval, that officer must resign from their TJAG tenured position. The position will then be advertised and filled in accordance with the procedures outlined in this section.

6-2. OVERSTRENGTH ARMY RESERVE JA ASSIGNMENTS.

a. Army Reserve JAs may only be assigned at up to 200% of authorized levels as permitted under AR 140-1, paragraph 2-5. In addition to the approval authorities in AR 140-1, all overstrength assignment of Army Reserve JA officers in the grades of O5 and O6 must be approved, in advance, by TJAG.

b. SJAs and LSO CDRs should counsel judge advocates on the benefits of assuming vacant positions (especially embedded positions), and afforded the opportunity to voluntarily fill vacant positions at the earliest opportunity. Should these measures be insufficient to fill existing vacancies within the RRC, RRC SJAs, and LSO CDRs will identify excess or overstrength officers to, within existing regulatory authority (see AR 140-1), involuntarily transfer to existing vacancies, subject to Tenure Policies outlined above.

c. Under no circumstances will SJAs or LSO CDRs remove Army Reserve JAs in the grades of O5 and O6 from valid Unit Manning Roster (UMR) positions and transfer them to overstrength categories (i.e. 999X positions) solely for the purpose of creating additional vacancies in which to slot overstrength JAs. Exceptions to this policy must be approved by TJAG or his designee.

d. Management of JA assets in accordance with this policy will be a matter of interest during Uniform Code of Military Justice Article 6 inspections. Further, PP&TO monitors the total number of officers on hand versus the total number of authorizations by grade in a unit to ensure compliance with this policy.

6-3. OVERGRADE ASSIGNMENTS AND PROMOTIONS.

a. In fulfilling the statutory responsibility to assign JAs, TJAG will normally assign or approve the assignment of a JA to a position with the same grade as the officer's current grade.

b. Occasionally, circumstances warrant assigning an Army Reserve JA to a position one grade lower than the grade of the officer. Such an assignment will be made only upon the prior written approval of TJAG or his designee. The duration of an overgrade assignment will be at the discretion of TJAG but will normally not exceed one year.

c. The criteria used to evaluate a request for an overgrade assignment includes the following:

(1) needs of the JAGC and the command;

(2) whether the officer is an incumbent SJA or CJA in a tenured position and the amount of time remaining in his or her tenure;

(3) availability of other JAs in the grade of the vacant position;

- (4) availability of other JA positions in the requesting officer's grade; and,
- (5) the officer's past performance.

d. Officers requesting approval of an overgrade assignment must submit the request by memorandum through their chain of command to The Judge Advocate General (DAJA-PT/Army Reserve Management), 1777 North Kent Street, Rosslyn, VA 22209-2194.

6-4. OVERGRADE ASSIGNMENTS AND PROMOTIONS DURING PERIODS OF MOBILIZATION.

a. Normally, an Army Reserve Soldier selected for promotion must be assigned to a position calling for the higher grade in order to be promoted to that higher grade. Unless they decline the promotion, officers are also promoted when they reach their maximum time in service in a particular grade as defined in 10 U.S.C. § 14304(a) and upon transfer to the Individual Ready Reserve (IRR). Officers who are mobilized and who reach their maximum time in service are also eligible for promotion.

b. Officers who are mobilized for extended periods of time and who have not reached their maximum time in service are at a disadvantage as it may be impossible to locate a new assignment while mobilized.

c. Officers selected for promotion, but who are not assigned to positions requiring the higher grade to which selected for promotion and who are serving on active duty may be promoted overgrade if the following criteria are met:

(1) On the reserve-active status list (RASL) in the grade of first lieutenant through lieutenant colonel;

(2) Assigned to Troop Program Unit (TPU) or Drilling Individual Mobilization Augmentee (DIMA) positions that require an authorized grade lower than the grade to which the officer has been selected by an approved mandatory selection board promotion list established under 10 U.S.C. § 14308(a);

(3) Serving on a period of active duty for more than 90 days pursuant to 10 U.S.C. §§ 12301 (a) or (d), 12302, or 12304; and

(4) Remaining in a promotable status while serving on such active duty.

d. Eligible officers seeking an overgrade assignment under this policy must submit a request (Figure 6-1) endorsed by their supervisory JA to the Office of The Judge Advocate General (DAJA-PT/Army Reserve Management), 1777 North Kent Street, Rosslyn, VA 22209-2194. Requests may also be faxed to 703-588-0100 or e-mailed to RCJAG@hqda.army.mil.

e. Officers who meet the criteria listed in the paragraphs above authorized may be eligible for promotion based on that overgrade assignment. Officers will be assigned to the IRR 180 days after release from active duty (REFRAD) unless they are assigned to a

position requiring the grade to which the officer was promoted under this policy, or a higher grade.

6-5. ARMY RESERVE AND ARMY NATIONAL GUARD NON-JAGC ASSIGNMENTS.

a. As special branch officers, judge advocates are expected to serve as judge advocates performing legal duties for their entire career. In exceptional cases, based solely on the needs of the Army and not on the individual desires of the officer, a JA may have one out-of-branch assignment per career which may last up to three (3) years. Approval of the out-of-branch assignment and duration of the assignment are both subject to TJAG's approval. This paragraph applies to both Army Reserve JAs, as well as Army National Guard of the United States (ARNGUS) JAs in a Title 10, United States Code status.

b. Reserve Component JAs will not be assigned to non-JAGC positions without the prior written approval of TJAG or his designee. RC officers requesting approval of a non-JAGC assignment must submit their request by memorandum through their first supervisory JA, to Office of The Judge Advocate General (DAJA-PT), 1777 North Kent Street, Rosslyn, VA 22209-2194. Each request must also include a statement from the gaining commander (see Figure 6-2).

c. Judge Advocates wishing to compete for non-JAGC boarded assignments, such as USAR colonel command assignment boards, must obtain TJAG approval to apply for the board.

d. The criteria used to evaluate each request will include, but is not limited to, the following:

- (1) the needs of the Army and the JAGC;
 - (2) the needs of the requesting command;
 - (3) the professional development of the requesting officer;
 - (4) the availability of non-JAs to fill the position;
 - (5) the requesting officer's past performance and demonstrated leadership skills;
 - (6) whether the officer served in another branch before being appointed as a JA;
- and,
- (7) whether the officer has received any training relevant to the assignment.

6-6. POSITION VACANCY BOARDS.

The written permission of TJAG is required prior to any Army Reserve JA officer or position being put before an Army Reserve position vacancy board.

6-7. ARMY RESERVE ACTIVE GUARD RESERVE JUDGE ADVOCATES.

a. All Army Reserve AGRs are on active duty under the provisions of 10 U.S.C. § 12301(d). Current authorizations for Army Reserve AGR JAs are at the Army Reserve training commands, the USARC headquarters, and at other USARC direct reporting commands. Army Reserve AGR JAs can expect reassignment every 2-4 years.

b. Army Reserve JAGC AGRs typically transfer to the AGR Program following service with the active component or after serving in traditional reserve component assignments or after some combination of active and reserve component service. Optimally, AGR JAs will be accessed within a year or two on either side of selection for promotion to major. Those selected for an AGR assignment must have a well-rounded background and experience with the full range of legal subject matters.

c. AGR JAs accessed onto active duty incur an initial three-year active duty service obligation. AGR JAs generally should attend the Graduate Course. This will normally take place following the initial assignment, although some officers, in certain individual situations, may also have to complete the reserve component Judge Advocate Officer Advanced Course and ILE.

6-8. RETIREMENT POINT CREDIT FOR ARMY RESERVE TRAINING IN A NON PAY STATUS.

a. Army Reserve officers may earn retirement points in a non-pay status in a number of ways. Examples include participating in battle assemblies, completing correspondence courses, and serving as board members. See Table 2-1, AR 140-185. In addition to these examples, Army Reserve JAs may earn retirement points under Rule 16, Table 2-1, AR 140-185, for "perform[ing] certain legal duties." The following are legal duties eligible for retirement-point credit under Rule 16:

- (1) Serving as a duly appointed investigating officer;
- (2) Providing legal assistance as authorized in AR 27-3;
- (3) Providing Defense Services as authorized by Chief, Trial Defense Services.
- (4) Drafting scholarly legal articles for publication provided such assignments are approved in advance by the SJA/CJA/LSO commander to which the officer is assigned or attached;
- (5) Providing legal review of investigations, reports of survey, and other actions, that have been assigned by the SJA/CJA of the organization to which the officer is assigned or attached;
- (6) Serving as a JA recruiting officer with the authorization of a duly appointed Field Screening Officer;

(7) Attending military continuing legal education conferences; and

(8) Attending civilian continuing legal education conferences and other professional conferences of military value in accordance with para. 3-29e, AR 140-1. As an exception to AR 140-1, JAs need not obtain prior approval from Guard and Reserve Affairs. Prior approval should be obtained, however, from the next most senior supervising JA. Individuals assigned to the IRR may obtain approval from the Deputy Chief, Army Reserve Management, PP&TO.

b. Retirement points may not be awarded for professional reading unless such reading is conducted in conjunction with authoring a scholarly legal article.

6-9. DRILLING INDIVIDUAL MOBILIZATION AUGMENTEE MANAGEMENT.

a. General. All DIMA billets are three-year tenured positions. The senior JA in each organization is responsible for following all of the provisions listed above in paragraph 6-1(b). In addition, they must ensure their DIMAs receive administrative support through coordination with their installation or activity DIMA Coordinator/RC liason.

b. Drilling Individual Mobilization Augmentees (DIMA) occupy critical positions in Mobilization Tables of Distribution and Allowances (MOBTDA). The DIMA program develops members of the Selected Reserve capable of reporting to their JA DIMA assignments upon mobilization or Presidential call-up, fully prepared to perform their mobilization duties. SJAs/DIMA supervisors and Judge Advocate activities should both work to maximize DIMA training to achieve this goal. Annually, SJAs must ensure that each civilian employee in their office who holds a reserve commission or DIMA assigned to their office are not key government employees as defined in AR 135-133, paragraph 2-10. If a civilian employee or a DIMA becomes a key employee, the requirements of AR 135-133, paragraph 2-12, will be followed.

c. DIMA Positions on the MOBTDA. The SJA should coordinate with force structure planners to ensure the MOBTDA meets the mobilization mission. The command may submit changes for TAADS documents (including DIMA positions) to HQDA only during the periods of January-March and July-September. These periods are referred to as the management of change (MOC) windows. The MOBTDA must be reviewed annually. Not all mobilization "plus up" positions need to be DIMA, but only those so critical as to require pre-trained officers with experience in the position. Positions which are no longer required because of changes in the mobilization mission, or which are no longer compatible with the organization's personnel structure because of grade, specialty, or other characteristics, should be deleted or modified on the MOBTDA.

d. Training.

(1) Each DIMA is required to perform twelve days annual training (AT), exclusive of travel time, each fiscal year. The primary objective is to become an expert in the duties and functions which the DIMA will perform upon mobilization. See AR 140-145. Every authorized DIMA position allows for an officer to perform up to 24 calendar days (48 IDT

periods) of additional paid inactive duty training (IDT) a year with the agency, subject to availability of funds. No travel pay is provided for IDT. SJAs are responsible for the training and utilization of their DIMAs, and should afford DIMAs the opportunity to perform IDT. Inactive duty training is documented with the DA Form 1380, Record of Individual Performance of Reserve Duty Training.

(2) SJAs should coordinate with their DIMAs well in advance of annual training. All requests for AT must be received by HRC at least 60 days prior to the requested reporting date; and, in any event, not later than the annual DIMA fund accounting deadline established by HRC, currently 31 March. SJAs must coordinate with the activity or installation's DIMA coordinator/RC liaison who is responsible for ensuring that requests for AT are properly processed and that each DIMA is administratively processed during their AT.

6-10. JUDGE ADVOCATE MOBILIZATION MANAGEMENT.

a. For purposes of mobilization or activation, OTJAG PP&TO determines and directs the method of mobilizing, sourcing and filling all RC JA vacancies and requirements within AC, USAR or ARNG units, including replacement operations and multi-component units. Mobilization determinations will be based upon current operational concerns, available mobilization authorities, the best interests of the Army, and available RC and AC JAGC assets. OTJAG PP&TO's determination and directives relating to this decision are binding on FORSCOM, USARC and NGB.

b. RC JAs interested in volunteering for mobilization or deployment will contact the OTJAG RC PP&TO, Mobilization, Augmentation and Deployment branch. JAs will not solicit units in the field directly for mobilization/deployment opportunities. Conversely, units seeking augmentation or backfill JAs will submit requests to OTJAG RC PP&TO, Mobilization, Augmentation and Deployment branch and will not solicit JAs directly.

c. Involuntary Transfer Between Units ("Cross-Leveling") of RC JAGC Personnel for Purposes of Mobilization. For purposes of mobilization, RC JAGC personnel may neither be cross-leveled between units, nor transferred between components (e.g. TPU, DIMA or IRR) to fill positions without the prior approval of OTJAG PP&TO.

d. For further guidance, please consult Annex L of the Army Mobilization Operations Planning and Execution System (AMOPES) and AR 27-1.

SECTION VII. PROFESSIONAL SCHOOLING

7-1. JUDGE ADVOCATE SCHOOLING PLAN.

The JAGC integrates legal education with training in other Army schools to prepare the JA for duties at each level of professional development. Summarized below are the progressively more advanced resident and nonresident courses offered to JAs, followed by detailed discussion about them and other schooling opportunities.

<u>School</u>	<u>Years of Service*</u>	<u>Paragraph</u>
Officer Basic Course (BOLC B)	0-1	7-2
Direct Commissioned Officer Course (DCO)	0-1	7-2
Judge Advocate Tactical Staff Officer Course (JATSOC)	0-1	7-5

	5-8	7-6
Intermediate Level Education (MEL 4 & JPME I)	8-15	7-8
Advanced Civilian Schooling	9-17	7-9
Senior Service College (MEL 1 & JPME II)	16-23	7-10

*Times listed are typical eligibility windows. See specific paragraphs for details.

7-2. THE JUDGE ADVOCATE OFFICER BASIC COURSE (BOLC B) AND THE DIRECT COMMISSION OFFICER COURSE (DCO).

a. The Judge Advocate Officer Basic Course (BOLC B) provides active component and reserve component JAs who are newly commissioned into the JAGC with the basic orientation and training necessary to perform their duties. The Fort Lee Phase of BOLC B serves to inprocess new JAs and augments training in soldier skills that JAs will receive at the Direct Commissioned Officer Course (DCO). The Fort Lee Phase of BOLC B is approximately two weeks in length and is conducted at Fort Lee, Virginia. The LCS Phase of BOLC B stresses military law. It is ten and one-half weeks in length and is conducted at the LCS, Charlottesville, Virginia, immediately after completion of the Fort Lee Phase. All newly commissioned JAs will complete BOLC B, unless granted a waiver (See paragraph 7-4 below for more waiver eligibility information). Failure to complete the course satisfactorily will result in return to basic branch, discharge, or other appropriate action.

b. After completing BOLC B, all officers, except Funded Legal Education officers, will attend the four-week DCO course, unless a waiver is granted. DCO is designed to

provide newly-commissioned JAs with Soldier and leadership training to instill the Warrior Ethos.

c. Army Reserve reservations for BOLC B, orders, and attendance is managed through the Office of The Judge Advocate General, Personnel, Plans & Training Office, ATTN: DAJA-PT (RC Management), 1777 North Kent Street, Rosslyn, VA 22209-2194, email: rcjag@hqda.army.mil. Army National Guard quotas are managed by the officer's individual state.

7-3. JUDGE ADVOCATE OFFICER BASIC CORRESPONDENCE COURSE.

This course provides basic branch orientation for officers who are commissioned in the JAGC and whose attendance at BOLC B is waived. It is comparable to the Legal Center and School portion of BOLC B. A waiver for officers wishing to complete this course of instruction in lieu of resident BOLC B may be sought as explained in paragraph 7-4, below. Officers interested in information regarding this course should go to <http://jagcnet.army.mil/tjaglcs> (click "courses" and then "nonresident learning"). The "General Information" link will explain enrollment procedures. Other links on this page provide specific course information.

7-4. WAIVERS OF ATTENDANCE FOR THE JUDGE ADVOCATE OFFICER BASIC COURSE (BOLC B).

a. The Chief, PP&TO may waive the requirement to attend DCO for both Active and Reserve Component Judge Advocates, based on the following:

- (1) Completion of similar Army or sister service courses.
- (2) Prior enlisted, WO, or commissioned officer experience.

b. A request for waiver will be sent in memorandum format through the military supervisory chain of the requesting officer to the Chief, PP&TO for disposition. If the requesting officer does not have a military supervisory chain, the officer will submit the request directly to the Chief, PP&TO. The Chief, PP&TO, will assess the officer's experience, based on subparagraphs a(1) and (2) above, against established DCO critical tasks. Individuals must possess the same skills and qualifications as graduates of this course.

c. All newly commissioned Judge Advocates will attend resident BOLC B. In limited circumstances, the Chief, PP&TO may approve an exception and permit a Judge Advocate to complete BOLC B through Distance Learning (DL), an internet based course of instruction produced by The Judge Advocate General's Legal Center and School (LCS). Factors considered when evaluating a request for exception include, but are not limited to:

- (1) Prior experience and similar schooling of a sister service;
- (2) Judge Advocate strength by state or component;

(3) Exceptional personal or professional hardship.

d. For RC Judge Advocates, officers will complete resident BOLC B or DL within one year of appointment. The LCS will monitor enrollment, progress, and completion of DL. The LCS will forward this information to Chief, PP&TO, ATTN: Reserve Component.

(1) Immediately following completion of resident BOLC B, officers will attend the DCO. This sequence capitalizes on the foundation of training received in resident BOLC B and provides officers the benefit of completing DCO with their peers. In appropriate cases of personal or professional hardship, Chief, PP&TO may permit bifurcation of resident BOLC B and DCO.

(2) With approved bifurcation, officers must complete DCO within one year of graduation from resident BOLC B. Authorization to complete DL requires completion of DCO within one year of appointment. The Chief, PP&TO Reserve Component (RCMO) and the Office of the Chief Counsel, National Guard Bureau (NGB) will monitor enrollment and completion of the DCO for their respective officers.

(3) Candidates will submit requests for exception from BOLC B, or for bifurcation of training, in memorandum format and with the candidate's application for accession. Candidates will route the request through their proposed Judge Advocate supervisor, through NGB or RCMO as appropriate, to the Chief, PP&TO. Supervisors will endorse the request via separate memorandum. Accession boards will not view or consider exception or bifurcation requests or endorsements. PP&TO will not consider applications for exception or bifurcation after appointment except in cases of extreme hardship.

7-5. JUDGE ADVOCATE TACTICAL STAFF OFFICER COURSE (JATSOC).

a. The Judge Advocate General's Corps implemented a new mandatory training requirement as of 1 October 2007 to ensure all newly accessed officers have the critical skills to support tactical commanders. Active Army and Reserve Component Judge Advocates with 48 or fewer months of commissioned service as of 1 October 2007 must complete the Judge Advocate Tactical Staff Officer Course (JATSOC). The course is designed to familiarize Judge Advocates with the tactical staff officer skills necessary to function effectively as part of a tactical-level staff. JATSOC consists of approximately 20 hours of online, self-paced instruction and includes eight lessons: Army Doctrine, the Military Decision Making Process, Symbolology, Army Organizations, Intelligence Preparation of the Battlefield, Joint Operations, Military Briefings, and Brigade Combat Team Staff.

b. All Judge Advocates will be automatically enrolled in JATSOC upon graduation from BOLC B. Those officers with more than 48 months of commissioned service as of 1 October 2007, or who have attended CAS3, are exempt from the JATSOC requirement.

c. Judge Advocates who are required to take JATSOC will be notified via AKO e-mail that they have been enrolled in the course. Judge Advocates who receive a JATSOC enrollment e-mail but believe they are exempt from JATSOC, should send an e-mail to the JAG University Help Desk at jagc.training@conus.army.mil.

d. JATSOC is open to all members of the Corps at any time for professional development. Commissioned and warrant officers, enlisted paralegals and civilian members of the Corps, to include Judge Advocates with more than 48 months of service, who lack operational experience or otherwise believe they may benefit from the course, are strongly encouraged to complete JATSOC. Supervising Judge Advocates should ensure that subordinates are aware of this opportunity.

e. Once enrolled, JATSOC can be accessed by logging-on with an AKO username and password through the JAG University at <https://jag.learn.army.mil/>.

7-6. JUDGE ADVOCATE OFFICER GRADUATE COURSE.

a. This resident course provides career JAs and selected Department of the Army civilian attorneys with education and training in all areas of military law, leadership and management, and communications. Because it prepares officers for middle and senior grade legal positions, Graduate Course attendance generally comes after at least two assignments that will have adequately prepared the JA to fully participate in the curriculum. It is an essential element in career development and the keystone in the JAGC's professional development plan; accordingly, all active component JAs will attend the forty-one week Graduate Course.

b. Those students meeting the academic requirements established by The Judge Advocate General's Legal Center and School for award of a graduate law degree receive a degree of Master of Laws (LL.M.) in military law. The American Bar Association has approved the School's Master of Laws Program as meeting its graduate level education standards. The course is conducted over a four-quarter, 41-week academic year. Class size varies, but normally no more than 80 Army attorneys attend along with a number of officers from the other services and allied nations. JAs attending the course incur a two-year service obligation upon signing into the course.

c. Officers assigned to attend the course must generally--

(1) be serving JAs in Regular Army status;

(2) be a major or have completed not less than five years of commissioned service since promotion to captain as of 1 September of the academic year the course begins;

(3) have served at least three years as a JA in a field assignment, after completing the Basic Course, as of 1 September of the academic year the course begins; and

(4) have completed their current overseas tour or 24 months of a CONUS assignment as of 1 September of the academic year the course begins.

d. The Chief, PP&TO, assigns officers to attend this course. Consideration for attendance is automatic for majors; promotable captains or those in the current zone of consideration; and captains who will have completed five years of service as a captain and who will have completed an overseas tour or 24 months of a CONUS assignment as of 1 September of the next academic year. Department of the Army civilian attorneys are selected for attendance by TJAG based on criteria published for the year of attendance. See paragraph 14-7d(2), below.

e. The Chief, PP&TO, may permit earlier attendance when the needs of the Army or the officer's professional development requires. For more senior officers, attendance at the Graduate Course will generally be scheduled within a year of an officer's promotion to major. TJAG will disapprove or approve requests for deferral from the course but these are limited to compelling reasons.

f. Officers may be relieved of assignment to the Graduate Course based on any of the following: misconduct, relief for cause, incidents involving moral turpitude, substandard performance, failure to pass the Army Physical Fitness Test, failure to meet the height and weight standards of AR 600-9, or medical debilitation. Officers who have been considered, but not recommended for promotion, will not attend the Graduate Course, whether or not previously designated for attendance.

g. Officers who have completed the RC Judge Advocate Officer Advanced Course, obtained an advanced law degree, or completed an advanced course at another service school will still attend the resident Graduate Course. The RC Judge Advocate Officer Advanced Course (see paragraph 7-6 below) does not satisfy the active component JAGC requirement to complete the Graduate Course (Military Education Level 6).

h. Active Component officers desiring exceptions to the criteria in c, above, may address their requests through the supervising JA or commander concerned to PP&TO, who will consider such requests on a case-by-case basis consistent with the needs of the Corps.

7-7. RESERVE COMPONENT JUDGE ADVOCATE OFFICER ADVANCED COURSE.

This course provides a working knowledge of the duties and responsibilities of field grade JAs. This course is an essential element in the RC company grade JA's career progression and promotion eligibility. This course is divided into two phases. Phase I consists of 98 hours of nonresident courses which must be completed before enrolling in Phase II, a two-week resident course at the LCS in January. Completion of the Judge Advocate Officer Basic Course is a prerequisite for enrollment in the Reserve Component Judge Advocate Officer Advanced Course for all officers appointed to the JAGC in the grade of Captain or below. Officers interested in information regarding this course should go to <http://jagcnet.army.mil/tjaglcs> (click "courses" and then "nonresident learning"). The

General Information link will explain enrollment procedures. Other links on this page provide specific course information. Information concerning this and other courses open to RC JAs may also be obtained from the LCS, ATTN: ALCS-ADX, Charlottesville, Virginia 22903-1781. Phone: 1-800-552-3978 or (434) 971-3350.

7-8. INTERMEDIATE LEVEL EDUCATION.

Intermediate Level Education (ILE) provides a standard educational experience across all career fields and functional areas and replaces the Command and General Staff Course. ILE establishes a universal Army operational war fighting culture to prepare field grade officers for service in division, corps, echelons above corps, and joint staffs. In addition to MEL-4 qualification, ILE, in conjunction with the Graduate Course, satisfies the Joint Professional Military Education (JPME) level 1 qualification. More information may be found at the ILE Homepage, <https://cgsc2.leavenworth.army.mil/DSA/ile/Index.asp> Upon graduation from the graduate course, officers should determine an appropriate time for attendance at ILE prior to their primary zone consideration for lieutenant colonel.

a. ILE options. There are four ways in which an officer can become MEL-4 qualified: ILE Advanced Operations and War fighting Course (AOWC) at Fort Leavenworth (ILE Common Core plus the AOWC); ILE Common Core at Course Locations (ILE CL); Army Distributed Learning (ADL); and USAR non-resident ILE.

(1) ILE AOWC. ILE AOWC is a DA board selected 10.5 month course that consists of two sub-courses, the ILE Common Core and AOWC (ILE AOWC). The first 3.5 months of the Leavenworth ILE is the same common core curriculum taught at the ILE CLs. AOWC comprises the remaining 7 months and will be composed primarily of operations career field officers. The Army has allocated the JAGC 23 seats in this course. The course will run two starts per year, one in August and one in January. The JA population is split, with approximately 75% of proposed attendees beginning in August and 25% beginning in January.

(2) ILE CL Resident. This 3.5 month course is the same course as the ILE Common Core taught at Fort Leavenworth. It will be conducted at three locations: Fort Gordon, Fort Lee, and Fort Belvoir. The JAGC receives an annual allocation of slots. This allocation is sub-divided by location and course date. The specific start and end dates are posted on the ILE website, <https://cgsc2.leavenworth.army.mil/DSA/ile/Index.asp> The ILE CL at Ft. Gordon is MTSA (military training specific allotment) approved courses and will be centrally funded. The ILE CL at Ft. Lee and Ft. Belvoir are funded by the Officer's Unit. Officers who attend ILE Course Location will not be able to attend ILE AOWC.

(3) Non-Resident Studies. The Directorate of Non-Resident Studies at Fort Leavenworth is responsible for the administration of both non-resident ILE taught by the USAR and the correspondence course. The Directorate of Non-Resident Studies has changed the correspondence course from the legacy "box-o-books" format to a web-based version called Army Distributed Learning (ADL).

(a) Legacy course. The traditional CGSC correspondence course, now called the “legacy course,” is closed to all new enrollments.

(b) ADL. ADL is a web-based version of ILE that is for students who are unable to attend one of the ILE CLs. Officers must obtain approval from Chief, PP&TO, to enroll in this course and they will not be able to attend ILE CL or ILE AOWC. This version will mirror the USAR non-resident ILE (see below) and will allow students to switch between options at phase breaks. This option provides students flexibility in completing ILE requirements. After receiving approval, officers may enroll on line at: <https://cgsc2.leavenworth.army.mil/nrs/common/enroll/application.asp> (Note: Before you can visit this page, you must log in using your AKO password). This program generally takes 12 to 18 months to complete.

(4) Non-resident ILE. Non-resident ILE is a course taught by the USAR. Non-resident ILE consists of three phases taught over approximately 13 months: Phase I (two weeks TDY in the summer), Phase II (October through May in an evening or weekend format), and Phase III (two weeks TDY the following summer). Non-resident ILE is not currently an MTSA approved school, so funding will come from unit’s mission funds. This option is primarily designed for Reserve Component officers, who have priority for attendance; however, Active Component officers have been admitted when spaces are available. Active Component officers must obtain approval from Chief, PP&TO, to enroll in this course and they must decline attendance at the ILE CLs. Officers who plan on attending should contact their ATRRS manager as soon as possible. HRC-St. Louis will fund ILE for non-mobilized reserve officers. More information, to include enrollment procedures, course dates and locations, can be found at the Non-resident ILE website, https://cgsc2.leavenworth.army.mil/nrs/dir_welcome.asp RC officers may enroll in the ADL should they be unable to attend any phase in an ADT or IDT status.

b. Officers seeking to enroll in an ILE course must be graduates of JAOAC or the Graduate Course to qualify for enrollment in the USAR Non-resident ILE, and the Graduate Course for all other courses. The JAGC policy on attendance is posted on JAGCNet.

c. ORB Military Course Codes. Officers that attended the ILE Common Core course at either Ft. Leavenworth or at a CL will have the annotation “ILE Common Core” in the Military Course location on the ORB. Officers that attend the 10.5 month course at Ft. Leavenworth will have an additional code on the ORB in the same section – “ILE Qualification Course.”

d. Qualification Course for MEL 4 and JPME I. The Graduate Course serves as the Qualification Course for Judge Advocates as determined by the branch proponent. Upon completion of the Graduate Course and the ILE Common Core course, Judge Advocates receive MEL 4 and JPME I education.

7-9. ADVANCED CIVILIAN SCHOOLING.

(See AR 621-1, Training of Military Personnel at Civilian Institutions)

a. A limited number of outstanding career officers may be selected by TJAG to attend civilian institutions for one year at government expense to obtain advanced legal education in specialized areas in which requirements exist (e.g., international law, criminal law, contract law, information technology law, environmental law, labor and employment law, and tax law). Officers selected must complete all work required to receive the LL.M. degree prior to the report date for their utilization tour. Failure to complete all requirements on time may be reflected in Section III of the Academic Efficiency Report as a failure to complete the course. (AR 623-3)

b. This training is limited to career officers who have completed the Graduate Course and have less than 17 years active federal commissioned service as of 1 October of the academic year in which the course begins. Particular consideration will be given to officers who have authored articles, research papers, or a thesis, including such works completed while attending the Graduate Course.

c. Officers completing this program incur a three-year active duty service obligation and must serve a utilization tour of three years. Most utilization assignments are made to the following organizations:

(1) OTJAG.

(2) The Judge Advocate Legal Center and School (LCS).

(3) US Army Legal Services Agency (USALSA).

(4) Army Command, Army Service Component Command or Direct Reporting Unit headquarters in CONUS and overseas.

(5) US Military Academy.

d. Officers are selected for advanced civil schooling in the normal assignment cycle from among those qualified officers who apply. While normal assignment factors apply, the key factors for selection include proven performance and potential as reflected in officer evaluation reports, prior experience as a Judge Advocate, academic ability, and potential for utilization in repetitive assignments in the concentration in which the LL.M. is awarded. The Chief, PP&TO, evaluates the candidates and recommends who should be selected to TJAG.

e. Selection for advanced civilian schooling does not necessarily rule out selection for Ft. Leavenworth ILE/AOWC. However, the board may consider the effect of an additional year away from normal duties when an officer previously has participated in a long-term training program after the Graduate Course. Enrollment in the LL.M. program is not a substitute for completion of military educational requirements such as ILE.

f. Officers who do not complete the three-year service obligation before leaving active duty may be subject to recoupment of the costs of their schooling.

7-10. SENIOR SERVICE COLLEGE (SSC).

The purpose of SSC is to prepare officers for duty as commanders and staff officers at the highest levels of the services. Normally, each year, four JAs attend the Army War College, two JAs attend the Industrial College of the Armed Forces, two JAs attend the National War College, and one JA is selected for a Senior Service College Fellowship with the Department of Justice. Attendees are selected by a board of officers convened under procedures prescribed by HQDA. All eligible JAs are considered automatically. To be eligible, officers must have credit for an intermediate service school (MEL 4), have at least 192 months, but not more than 276 months, of active federal commissioned service as of 1 October of the academic year school is started, and be serving in the grade of LTC or higher. FLEP and excess leave officers have an additional 36 months eligibility.

7-11. US ARMY WAR COLLEGE (USAWC) DISTANCE EDUCATION COURSE.

The objective of the course is to make USAWC level education more widely available to qualified officers. The JAGC normally receives an annual quota of five spaces. The Senior Service College selection board selects the best qualified officers from among those officers eligible for senior service school. PP&TO will contact eligible officers by virtue of board selection and offer them the opportunity to enroll. In addition to the foregoing, promotable lieutenant colonels may be permitted to enroll if sufficient quotas exist. PP&TO will contact them and offer them the opportunity to enroll. Once enrolled in USAWC, the officer foregoes consideration by future SSC Board, even if the officer later disenrolls from the course.

7-12. PROFESSIONAL CONFERENCES.

(See AR 1-211, Attendance of Military and Civilian Personnel at Private Organization Meetings, and AR 600-8-10, Leaves and Passes)

JAs are encouraged to attend meetings of professional organizations (e.g., American Bar Association, National Bar Association, Federal Bar Association). When the meeting will produce tangible contributions to the execution of assigned missions and programs, attendance may be at government expense in accordance with AR 1-211. Officers who desire to attend such meetings at personal expense may be authorized permissive temporary duty in accordance with AR 600-8-10.

7-13. CONTINUING LEGAL EDUCATION (CLE).

TJAG policy is that all attorneys participate in CLE. Many states now require CLE. Each JA is responsible for fulfilling the requirements of his or her state bar. Supervisors should encourage their officers to meet their CLE requirements. Any questions a JA may have concerning state CLE requirements must be addressed directly to the state bar.

7-14. CONTINUING LEGAL EDUCATION (CLE) COURSES AT THE LCS.

a. Attendance at resident and On-Site CLE courses at The Judge Advocate General's Legal Center and School (LCS) is restricted to only those students who have a confirmed reservation. Reservations for CLE courses are managed by ATRRS. ATRRS is the reservation management system used by TJAGLCS. Students are not permitted to attend courses without a confirmed reservation.

b. Active duty service members must obtain reservations through their directorates of training or through equivalent agencies. RC personnel must obtain reservations through their unit training offices. IRR/IMA personnel must obtain reservations through the Office of The Judge Advocate General, Personnel, Plans & Training Office, ATTN: DAJA-PT (RC Management) 1777 North Kent Street, Rosslyn, VA 22209-2194, email: rcjag@hqda.army.mil. Army National Guard personnel request reservations through their unit training offices.

c. When requesting a reservation you should know the following:

LCS's School Code - 181

Course name and number - (Example: Contract Attorneys Course, 5F-F10).

Class number - (Example: 148th Contract Attorneys Course).

Specific course information is located in *The Army Lawyer* publication. ATRRS automatically sends an e-mail notification to the student after the training office has input the reservation into the system. Notification includes the status of the reservation: Reservation, Wait, or Cancelled. Students may also verify reservation status through their individual AKO Account. Students should not call the School to verify reservations. It is the student's responsibility to confirm his or her reservation prior to travel. Students must cancel reservations through the local training office or the School so other students on the wait list may attend in their place. Students who do not cancel reservations will receive a "No-Show" on their ATRRS student record that may result in the organization's reduction of quotas in future year allocations.

7-15. OTHER MILITARY TRAINING.

a. Airborne, ranger and air assault training is available to JAs who are to be assigned to organizations where these qualifications are required. This training is usually accomplished in conjunction with an assignment to such an organization. Airborne and air assault training may be available to JA basic course students immediately following graduation. After coordination with the LCS, basic course students desiring to attend airborne or air assault school will gain the approval from their gaining SJA office. After SJA approval, the LCS will inform PP&TO. Other JAs interested in attending airborne or air assault school may be permitted to do so in conjunction with a PCS. JAs should contact PP&TO for information and quotas on their desire to attend any school not offered at

TJAGLCS (e.g. Ranger school). The JAGC encourages officers to volunteer for this training. For new officers, it provides an early introduction to challenging military training. It also provides a cadre of JAs who can later be considered for assignment to airborne and special operations units.

b. Language school training is available to selected career JAs who will be assigned to a position requiring specialized language training. Officers interested in applying should submit a Defense Language Aptitude Battery (DLAB) score to PP&TO. When required by position, training in German, French, Spanish, Japanese, Italian, Korean, and other languages, is available at the Defense Language Institute, Presidio of Monterey, California.

7-16. SKILL IDENTIFIERS (SIs).

a. SIs to identify individuals with expertise in military justice, government contract law, international law, and claims/litigation are available in accordance with DA PAM 611-21, *Military Occupational Classification and Structure*, Table 4-3. Applications for award of an SI must be submitted through command channels to PP&TO. These ASIs do not affect the assignment process but inform the assignment officer of past experience.

b. TJAG approved a graduated set of additional skill identifiers (ASIs) in military justice. The new military justice ASIs are based on a combination of formal education, additional training, and experience. This program, outlined in TJAG Policy Memorandum 08-2, *Military Justice Additional Skill Identifiers*, dated 21 July 2008, establishes four ASIs for military justice: *Basic Military Justice Practitioner*, *Senior Military Justice Practitioner*, *Expert Military Justice Practitioner*, and *Master Military Justice Practitioner*. Each ASI builds on both schooling and either courtroom or justice management experience, and encourages counsel to deepen their understanding of military justice practice.

c. These ASIs will not create a specialization in military justice but highlights the JAGC's desire to maintain a sustained proficiency in military justice.

7-17. ACTIVE DUTY SERVICE OBLIGATIONS ASSOCIATED WITH TRAINING

The following Active Duty Service Obligations (ADSO) are associated with participation in military training:

a. Officers who attend the Judge Advocate General's Graduate Course will incur a 2-year ADSO, note: the FLEP ADSO cannot be served concurrently with the Graduate Course ADSO.

b. Officers who attend a Senior Service College, Intermediate Level Education (including ILE CL but not Non-Resident ILE), equivalent foreign military schools, or equivalent training with the Department of Justice (DOJ) incur a 2-year ADSO.

c. Newly appointed warrant officers who attend Warrant Officer Basic Course (WOBC) will incur a 6-year ADSO upon graduation. This ADSO does not apply to warrant officers who already hold a warrant officer MOS. Warrant Officers who attend Army directed professional development courses, including Warrant Officer Advanced Course, Warrant Officer Staff Course, and Warrant Officer Senior Staff Course (WOAC, WOSC, WOSSC), do not incur a service obligation.

d. Officers of The Judge Advocate General Corps who accept an assignment in the Contract Law Internship Program will incur an ADSO outlined in an internship agreement. The agreement will also address the utilization tour and commencement of fulfilling the internship ADSO.

VIII. SELECTION, CERTIFICATION, AND ASSIGNMENT OF JUDGES

8-1. SELECTION OF ACTIVE DUTY MILITARY TRIAL JUDGES.

TJAG selects and certifies officers to serve as military trial judges who will normally meet the following criteria:

(1) have at least two years of trial experience as a court-martial trial or defense counsel; one year of court-martial trial experience and at least one year as chief of criminal law, regional defense counsel, or criminal law instructor; or two years as a Staff Judge Advocate in an active criminal law jurisdiction;

(2) are serving in the grade of colonel, lieutenant colonel, or major;

(3) have completed CGSC/ILE or the equivalent, or are willing to enroll and complete such a course;

(4) have demonstrated mature judgment and high moral character;

(5) have been nominated for selection by the Chief Trial Judge or a designee, in coordination with the Chief, PP&TO; and

(6) are able to graduate and attain at least a grade of C (77 points) in the Military Judge Course, at the LCS.

8-2. SELECTION OF USAR TRIAL JUDGES.

a. USAR JAs not serving on extended active duty and assigned to the US Army Trial Judiciary will not be certified as military judges unless serving in an Individual Mobilization Augmentation (IMA) judge position or assigned to the 150th JAG Detachment (LSO) (Trial Judiciary). Applicants must meet the following criteria: (1) have demonstrated mature judgment and high moral character; (2) are serving in the grade of Colonel, Lieutenant Colonel, or Major; and (3) have a minimum of one year criminal law experience as: (a) full-time civilian trial or appellate judge, U.S. Magistrate Judge, or administrative law judge; or (b) criminal trial practitioner, with recent extensive experience in federal, state, or military courts, or (c) full-time criminal law instructor in a military or civilian school.

b. Vacancies in the 150th JAG Detachment (LSO) will be advertised on the JAGCNet on or about 1 October for positions opening in June of the following year. Applications for appointment as a USAR military judge will be sent to the Commander, 150th JAG Detachment. Applications must be accompanied by the officer's OMPF and the last three OERs, and should also include letters of recommendation and such additional information sufficient to demonstrate substantive criminal law experience, maturity of judgment and unquestionable moral character. A screening committee chaired by the Chief

Trial Judge will then review the application files and recommend candidates to fill open USAR judge positions. TJAG will make the final selection.

c. The first AT after selection is spent at the Military Judge Course, located at the LCS. A grade of C (77 points) or higher is a prerequisite to continued assignment to the Trial Judiciary or to a Military Judge Team.

8-3. SELECTION AND CERTIFICATION OF NATIONAL GUARD (NG) MILITARY JUDGES AND SELECTION FOR ATTENDANCE AT THE MILITARY JUDGES COURSE.

a. To attend the Military Judge Course, NG JAs must be serving in the grade of Major or above. Applications to attend the course should be submitted through the senior Judge Advocate or state Staff Judge Advocate, through the NG Bureau, to the Chief Trial Judge. In order to allow sufficient time to process the applications and to be allocated a quota for attendance, complete applications should be received by the Office of the Chief Trial Judge NLT 1 February for the course beginning in April of that year. Priority for attendance will be given to NG JAs who meet the criteria for certification as military judges; accordingly, application packets should contain the information listed below and should indicate whether the applicant will be assigned duties as a state military judge upon graduation.

b. For a NG JA to be certified as a military judge by TJAG, the following criteria must be met: (1) have demonstrated mature judgment and high moral character; (2) be serving in the Army National Guard as a Major or higher, (3) be serving as or nominated to serve as a state military judge; (4) have a minimum of one year criminal law experience as (a) full-time civilian trial or appellate judge, U.S. Magistrate Judge or administrative law judge, or (b) a criminal trial practitioner, with recent extensive experience in federal, state, or military courts, or (c) full-time criminal law instructor in a military or civilian school; and (5) are able to graduate and attain at least a grade of C (77 points) in the Military Judge Course, the LCS.

c. NG applications for certification as a military judge must be endorsed by the senior Judge Advocate or state Staff Judge Advocate, as applicable, and sent through the National Guard Bureau to the Chief Trial Judge, United States Army Trial Judiciary. Applications must contain additional information necessary to demonstrate substantive criminal law experience, maturity of judgment, and high moral character.

8-4. TRIAL JUDICIARY ASSIGNMENTS.

a. Assignments of military judges to the Trial Judiciary are made by TJAG upon the recommendation of the Chief Trial Judge in coordination with the Chief, PP&TO. See the JAGC Personnel and Activity Directory for a complete list of stations where trial judges are currently assigned.

b. As a general rule, officers below the grade of colonel will not receive consecutive trial judge assignments. Upon the completion of a tour as a trial judge, the

officer typically will be reassigned to a position related to the field of criminal law such as SJA, Regional Defense Counsel, Deputy SJA, Criminal Law Divisions at OTJAG, the LCS, or one of the Appellate Divisions in USALSA. Military judges are eligible and compete for military and civil schooling on the same basis as any other JA. School assignments are not considered intervening assignments for purposes of determining eligibility for a subsequent assignment as a trial judge.

8-5. SELECTION AND ASSIGNMENT OF APPELLATE MILITARY JUDGES.

a. General. Assignments of appellate military judges to the US Army Court of Criminal Appeals are made by TJAG upon recommendation of the Chief Judge in coordination with the Chief, PP&TO.

b. Grade Requirements. Appellate judges will normally be in the grade of colonel. Exceptional lieutenant colonels with at least two years time in grade may be considered for a waiver of the grade requirement.

c. Experience Requirements. Appellate judges should have at least two years of experience as a GCM trial judge, previous service as an appellate judge, two years of experience as an SJA of a general court-martial jurisdiction, or two years of experience as a regional defense counsel. Appellate judges should also have at least two years of criminal law experience as a trial counsel, chief of military justice, criminal law instructor, or trial defense counsel.

d. Military Education Requirements. Appellate judges must be a graduate of CGSC/ILE or its equivalent. Appellate judges are expected to graduate from and attain at least a grade of C (77) in the Military Judge Course at the LCS.

8-6. TENURE FOR MILITARY JUDGES.

a. Trial Judges. Judge Advocates are certified as military judges by TJAG and assigned to the Trial Judiciary for a minimum of three years, except under any of the following circumstances:

(1) The military judge is assigned to the Republic of Korea or other such area where officers are normally assigned for a one-or-two-year tour; in such cases the military judge will typically be appointed to a one- or two-year term;

(2) The military judge voluntarily requests to be reassigned to other duties, and TJAG approves such reassignment;

(3) The military judge is selected for a one-year judicial apprenticeship;

(4) The military judge retires or otherwise separates from military service;

(5) The military judge is reassigned other duties by TJAG based on the needs of the service in a time of war or national emergency; or

(6) The officer's certificate as a military judge is withdrawn by TJAG for good cause.

b. Appellate Military Judges. Assignments of appellate military judges to the US Army Court of Criminal Appeals are made by TJAG upon recommendation of the Chief, Judge, the US Army Court of Criminal Appeals, in coordination with the Chief, PP&TO. Judge Advocates are assigned as appellate military judges for a minimum of three years, except under the following circumstances:

(1) The appellate military judge voluntarily requests to be reassigned to other duties, and TJAG approves such reassignment;

(2) The appellate military judge retires or otherwise separates from military service;

(3) The appellate military judge is reassigned other duties by TJAG based on the needs of the service in a time of war or national emergency; or

(4) The officer is removed from service as an appellate military judge by TJAG for good cause.

SECTION IX. ACQUISITION LAW SPECIALTY PROGRAM

9-1. INTRODUCTION.

a. General. In recognition of the breadth and complexity of acquisition law, and of the need for both uniformed and civilian attorneys to maintain expertise in acquisition law, The Judge Advocate General established the Acquisition Law Specialty (ALS) Program in 1985. The ALS Program is a centrally managed system for identifying, training, and assigning lawyers so that the JAGC can develop and maintain qualified personnel, both military and civilian, with the requisite breadth and depth of acquisition law expertise. Based on Army needs and force requirements, the ALS Program may not be implemented completely to include participation in the Internship Program.

b. Responsibility. PP&TO is responsible for administering the ALS Program. PP&TO coordinates ALS issues and assignments with The Assistant Judge Advocate General for Military Law and Operations, who has oversight responsibility for the Program.

c. Key Features. The key features of the ALS Program are: establishing a force structure of ALS positions; providing for the selection, development, and training of acquisition law specialists; assuring opportunities for promotion and schooling for acquisition law specialists; and implementing the AMC Contract Law Intern Program (see paragraph 9-4 below) which established a small number of specified Judge Advocate positions in AMC (see paragraph 9-5 below).

d. ALS and Acquisition Assignment Policies. Attorneys enrolled in the ALS Program will receive first consideration for assignment to acquisition law positions and acquisition law training, subject to the needs of the Army. There are positions, usually at installation Staff Judge Advocate offices, where JAs interested in the ALS Program can acquire the experience that will qualify them for ALS entry. Attorneys enrolled in the ALS Program will normally be given duty assignments to ALS positions or related fields. Enrollment in the Acquisition Law Specialty Program does not preclude assignment to other positions.

e. ALS Promotion Opportunity. Judge Advocates in the ALS Program have equal opportunity with other Judge Advocates for promotion and other training programs. JAs in the ALS are identified to promotion boards which are instructed that the Army's goal is that ALS attorneys, as well as all JAGC officers who specialize, have a similar opportunity for promotion to each grade as other JAGC officers.

9-2. ELIGIBILITY.

a. Judge Advocates. Judge Advocates who want to enroll in the ALS Program may apply by forwarding an application to PP&TO through their Staff Judge Advocate or other supervisor. JAs must have a Regular Army commission in the grade of major or above, be recommended for the ALS by the Staff Judge Advocate or other senior supervising

attorney to whom the applicant reports, and must be competitive for promotion (demonstrated by professional performance of legal duties in at least three officer evaluation reports as a JA). In addition, the applicant must satisfy one of these additional criteria: successful performance for at least one year in a position whose primary duty is legal support to an acquisition function, successful performance for at least two years in a position in which legal support to an acquisition function was a significant duty (to include direct supervision of acquisition lawyers), award of an LL.M. in contract law, or completion of one year in the AMC Contract Law Intern Program. Acquisition Law Specialists with the requisite qualifications will, upon application, be awarded skill identifier 3D. The qualifications for skill identifier 3D are more rigorous than the criteria for ALS enrollment (see paragraph 7-15 above).

b. Civilian attorneys. Civilian attorneys under the qualifying authority of TJAG are eligible to participate in the ALS Program when they successfully complete at least one year in a position in which the primary duty is legal support to an acquisition function, or two years in a position in which legal support to an acquisition function is a significant duty. Applications should be forwarded through the Staff Judge Advocate or other supervisor to PP&TO.

c. Applications. Applications for the ALS Program may be submitted at any time.

d. Enrollment and Disenrollment. The Chief, PP&TO, has been delegated approval authority for enrollment in the ALS program. Attorneys may be disenrolled from the ALS Program upon their request or after having served for four years in a non-ALS position. Enrollment may continue notwithstanding service in non-ALS positions if consistent with the needs of the Army or other valid professional considerations.

9-3. ALS POSITIONS.

ALS positions are those in which the primary duty is legal support to an acquisition function. PP&TO will notify Staff Judge Advocates and other supervisors of positions that have been identified as ALS positions. In addition, PP&TO will inform supervisors whether the position has been documented for skill identifier 3D (Contract Law). Supervisors who have positions that they believe should be identified as ALS positions should notify PP&TO. Identification of a position as an ALS position (or documenting a position with skill identifier 3D) does not guarantee that the position will be filled with an Acquisition Law Specialist. However, such identification is a valuable management tool, which will help to ensure that Acquisition Law Specialists are assigned so as to enhance their career development and to fill the needs of the JAGC and the Army.

9-4. CONTRACT LAW POSITIONS WITH ARMY MATERIEL COMMAND (AMC).

The objective of this program is to assist TJAG in developing a pool of officers in the JAGC career force with extensive practical training in government acquisition and contract law at the acquisition activity level. Interested officers should coordinate with their SJAs to contact their personnel management officer at PP&TO.

9-5. ALS MEMORANDUM OF UNDERSTANDING POSITIONS WITH AMC.

The Army General Counsel, TJAG, and AMC Command Counsel have entered into a Memorandum of Understanding augmented by a Memorandum of Agreement identifying Chief Counsel, Deputy Chief Counsel, division and branch chief, and action officer positions for JA incumbency, to ensure the appropriate mix of military and civilian lawyers at all levels; to provide further opportunities for JA development and experience; and to ensure adequate career progression and opportunities for the ALS JA lawyer.

SECTION X. SEPARATION, RESIGNATION, DISCHARGE AND RETIREMENT

10-1. GENERAL.

Officers may be released from obligated and non-obligated periods of service upon personal request or involuntarily when personal circumstances or needs of the service dictate. Congress recently eliminated reserve commission status for all officers serving on the active duty list. All officers serving on the active duty list possess Regular Army commissions and must resign their commissions in order to be released. This section covers the more frequent circumstances in which such release may be directed or approved.

10-2. RESIGNATIONS.

See AR 600-8-24, chapter 3 (Resignations).

a. Unqualified resignations will be submitted as soon as possible, and normally must be submitted not earlier than 12 months or less than 6 months prior to the requested date of separation. If the officer is requesting a waiver of any ADSO, then this request must be submitted at least 12 months prior to the effective date. If an officer has been considered by a promotion board and selected for promotion, then the six month requirement will be enforced. Additionally, maintaining the current rank upon resignation is dependent upon regulatory time requirements as outlined in AR 600-8-24 and AR 600-8-29. Normally, unqualified resignations will not be accepted unless the officer will have satisfied all service obligations by the effective date of the resignation. In this regard, officers serving overseas normally will be required to complete the current prescribed tour for the area of assignment. Unqualified resignations must be processed in accordance with AR 600-8-24, Chapter 3, including the mandatory counseling required by paragraph 1-13 and the endorsement by step 2 of Table 3-1. See Figures 10-1 for recommended format. Resigning officers must provide an endorsement letter as seen in Figure 10-2 (no line endorsements).

b. Officers who resign should keep copies of the following documents. Possession of these documents will facilitate transition to Reserve Components and, in addition, will be useful for future reference.

- (1) Appointment Orders
- (2) Latest Promotion Orders
- (3) Officer Record Brief (ORB)
- (4) Assignment Orders to Reserve Control Group (if available)
- (5) DA Form 873 – Certificate of Clearance
- (6) DD 2807-1 – Report of Medical Examination (on Jan 01 replaced SF 88)
- (7) DD 2808 – Report of Medial History (on Jan 03 replaced SF 93)

(8) DD Form 214 – Certificate of Release/Discharge from Active Duty

c. Officers are required to fill out and submit an exit survey with their resignation. See figure 10-11.

d. All Officers are required to fill out and submit a Victim of Sexual Assault Statement with their resignation. See figure 10-5.

e. Officer's requesting to change the date of previously approved or pending resignation or withdraw their resignation should use the format in figure 10-6 and figure 10-7.

10-3. RETIREMENTS.

a. Applications for voluntary retirement may be submitted up to 12 months before the requested retirement date, or projected start date of transition leave and not later than 9 months prior to the projected start date of transition leave. The officer must have 19 or more years AFS and be able to complete all service obligations by the retirement date. Applications will be processed in accordance with AR 600-8-24, Chapter 6. See Figure 10-8 for recommended format.

b. 10 U.S.C. § 1370(a)(2) requires three years time-in-grade for COLs and LTCs seeking to retire in the highest grade satisfactorily served on active duty. The Secretary of the Army may waive that requirement in individual cases involving extreme hardship or unusual circumstances. Officers desiring to submit an application for retirement with a concurrent request for waiver of the time-in-grade requirement should contact PP&TO for guidance on current policy on time-in-grade waivers.

c. SERBs. 10 U.S.C. § 638 provides statutory authority for selective early retirement. While there is no current HQDA policy on selective early retirement in effect for the JAG Corps, a new policy may be announced annually.

10-4. OFFICER ELIMINATIONS.

a. An officer is permitted to serve in the Army because of the special trust and confidence the President and the nation have placed in the officer's patriotism, valor, fidelity, and competence. An officer is expected to display responsibility commensurate to this special trust and confidence and to act with the highest integrity at all times. However, an officer who will not or can not maintain those standards will be separated IAW chapter 4 of AR 600-8-24, *Officer Transfers and Discharges*.

b. JA personnel files will be routinely reviewed by supervising officers, SJAs, and PP&TO. Officers who have poor potential for continued service, substandard duty performance, or derogatory information may be processed for elimination. See paragraph 4-2, AR 600-8-24. Prior to initiating an officer elimination action, SJAs and other heads of legal offices should consult with PP&TO. Pursuant to paragraph 4-20 of AR 600-8-24,

probationary RA officers are not entitled to have their cases heard by a board unless an Other than Honorable Discharge is recommended.

10-5. FORCE SHAPING AUTHORITY.

As a result of the transition to an all-Regular Army, the JAGC will no longer convene career status boards. Force shaping authority, however, exists in 10 U.S.C. § 647 to hold boards for the specific purpose of managing the size of the JAGC. If it is necessary to hold a force shaping board, i.e., to manage over strength numbers, PP&TO will notify the field of the board process and the population to be considered.

10-6. RECOUPMENT OF EDUCATIONAL EXPENSES.

Officers who have an active duty service obligation based on educational expenses paid by the government (USMA, ROTC scholarship, FLEP, or LL.M.), normally are required to repay the government for a pro-rata portion of these expenses if they leave active duty before the end of their obligated service.

10-7. TRANSITION LEAVE.

a. Requests for transition leave pending retirement or resignation are approved or disapproved by the officer's commander, SJA, or office approval authority. No action by PP&TO is required. In determining whether to approve a request for transition leave, approving authorities should consider that replacements are scheduled based upon the normal separation date and not the date transition leave begins. Approval of such a request may result in an office vacancy for at least the period of transition leave.

b. The practice of law outside the JAGC during a period of transition leave requires prior approval. TJAG has delegated authority to approve such requests to the Chief, PP&TO. Requests should be sent through and endorsed by the SJA, or other supervisor, to PP&TO. Recommended format is at Figure 10-9.

10-8. FORWARDING ADDRESS UPON SEPARATION FROM ACTIVE DUTY.

Officers who are leaving active duty should provide PP&TO with a forwarding address. PP&TO will mail the Career Management Information File (CMIF) to officers who have retired.

10-9. RETIREMENT OR RESIGNATION IN LIEU OF PCS ASSIGNMENT.

Officers who will be eligible for retirement or separation within 6 months of the date on which they receive a PCS assignment alert may resign or request voluntary retirement in lieu of PCS. The request must be submitted within 30 days after the officer is alerted for assignment. An alert is defined as oral or written notification of an assignment or reporting

date. The officer must request a release date not later than six months from the date of the PCS assignment alert.

10-10. SELECTIVE CONTINUATION.

a. Officers pending separation for twice failing selection for promotion to lieutenant colonel may be continued on active duty in their present grade if recommended by a selective continuation selection board and approved by the Secretary of the Army. Selective continuation is a method of retaining capable, experienced officers of a specific grade to meet the needs of the Army. Not all selection boards are authorized to recommend selective continuation. It is current JAGC policy to seek selective continuation for all majors who have been non-selected to lieutenant colonel. Normally, selectively continued majors will continue to serve on active duty until eligible for retirement under 10 U.S.C. § 3911. Selectively continued officers will continue to be eligible for selection for promotion until separated.

b. Depending upon limitations imposed by budgeted end strength, the Secretary of the Army may convene a board to review the status of selectively continued officers. In such a case the Secretary would determine which officers would be eligible for retirement, thereby terminating their selectively continued status. Details of such a review board will be announced separately. Officers are encouraged to contact PP&TO if they have questions regarding their selective continuation status.

c. Regular Army officers may decline selective continuation before the period of continuation begins. Such officers may not be eligible for separation pay.

d. Officers wishing to be discharged or released from active duty before a selective continuation period expires may voluntarily request such action. If discharged or released, however, they may not be entitled to separation pay. See AR 600-8-29, Officer Promotions, and AR 600-8-24, Officer Transfers and Discharges.

10-11. SERVICE IN THE RESERVE COMPONENTS.

a. Regular Army officers must resign their commissions and request reappointment to obtain a Reserve commission. Each officer accepts an eight year statutory obligation upon initial appointment. Many officers leaving active duty after completing their three or four year active duty service obligation fail to understand that they have a remaining statutory Reserve obligation. Additionally, they fail to recognize the career opportunities and benefits available to those officers who desire to actively participate in the Selected Reserve.

b. PP&TO will provide to Chief, PP&TO Reserve Component, on a recurring basis, the names of CPTs and MAJs who have approved resignations. OTJAG, RC Management, will use this information to provide separating officers with basic information on the Reserve Components and how to participate prior to ETS.

c. The Staff Judge Advocate or equivalent senior command legal counsel will personally meet with each officer scheduled to resign to discuss service in the Reserve Components and request that each officer provide a forwarding address and phone number. A briefing point paper is provided (Figure 10-10). A report of the results of each interview (Figure 10-3) will be provided to the Office of The Judge Advocate General, ATTN: DAJA-PT, 1777 North Kent Street, 10th Floor, Rosslyn, Virginia 22209-2194. The report will be provided to PP&TO along with the officer's resignation. The Staff Judge Advocate may use the Memorandum for Record format at Figure 10-4 to document the Reserve Component Briefing.

FOR PERSONNEL, PLANS, AND TRAINING OFFICE, OFFICE OF THE JUDGE
ADVOCATE GENERAL, 1777 NORTH KENT STREET, ROSSLYN, VA 22209-2194

SUBJECT: Request to Engage in the Practice of Law during Transition Leave

1. Request permission to engage in the practice of law during transition leave.
2. I will be on transition leave during the period ____ - ____.
3. (Name, address, and nature of practice of law firm, business or government agency.)
4. I am aware of the provisions of 18 U.S.C. § 205 and DOD 5500.7-R, the Joint Ethics Regulation, concerning conflicts of interest. While on transition leave I shall ensure my practice does not conflict with my status as an Army officer.

Figure 10-10. SJA Briefing for Officers Leaving Active Duty

* Approximately 65% of the strength of the JAGC is in the National Guard and USAR. The Army's readiness depends on maintaining that strength with capable and experienced officers. The officer with active duty service has the depth of experience and training to excel as a Reserve Component officer. Career potential in the RC JAGC extends through the rank of BG.

* RA officers must apply for a Reserve commission.

* All officers retain their rank and time in grade. This protects a substantial investment in career progression and retirement.

- In a due course career progression, a captain with three years active duty will be promoted to major not later than 6 years after leaving active duty. Generally, this is two years earlier than a due course promotion for a RC officer without active duty. While promotion is not guaranteed, selection rates are much higher than active duty.

- Retired pay is based primarily on the number of days served by a RC officer. A JA with 3 years active duty has already accrued a higher potential retirement pay than a RC officer normally earns in over 11 years.

* No matter where they live, officers can continue their careers in the Reserve Components. There are four options available, depending on the officer's location and available time.

- National Guard and USAR units with JA positions are located throughout the U.S. They train one weekend per month and two weeks in the summer. Captains earn about \$9,000 per year.

- There are a limited number of Active/Guard (AGR) positions. AGR officers may serve until their mandatory removal date (MRD).

- The Individual Ready Reserve (IRR) is an ideal option for the officer who has a heavy civilian workload or is located in an area where no unit positions are available. Officers assigned to the IRR may volunteer for training tours for up to 29 days, provided funding is available. Like all RC officers, they may continue to accrue "good" years for retirement by taking Army correspondence courses or drilling for points only.

* Benefits of RC service include PX privileges, opportunity for SGLI coverage, commissary privileges, attendance at JAGC CLE classes (generally approved by all states requiring CLE), and retired pay at age 60.

* Judge Advocates continue to be eligible for promotion while in the USAR and should ensure they are aware of the promotion board dates and the educational requirements and they should maintain up-to-date contact information on <https://www.hrc.army.mil/indexflash.asp>.

* For more information, e-mail the Judge Advocate Reserve Component Management Office in PP&TO at rcjag@hqda.army.mil.

SECTION XI. SPECIAL RULES OF MILITARY PRACTICE

11-1. COUNSEL IN COURTS-MARTIAL.

Article 27(b), Uniform Code of Military Justice, requires that an individual detailed as trial or defense counsel of a GCM must be a JA and a graduate of an accredited law school or a member of the bar of a Federal court or of the highest court of a state, and certified to perform such duties by TJAG. SJAs are responsible for ensuring that only certified commissioned officers are detailed as counsel in all courts-martial.

a. Officers appointed in, or detailed to, the JAGC will be certified as counsel before GCMs upon substantial successful completion of the Basic Course or on admission to the bar, whichever occurs later.

b. Non-JAGC officer-lawyers normally will not be certified. If an exception to this rule is required, the SJA concerned will submit a request to PP&TO, accompanied by the officer's law school transcript, a certified copy of the officer's license to practice, a resume of experience, and a justification for an exception to this policy.

c. Reserve Component JAs serving on active or inactive duty for training may be detailed as trial counsel or assistant defense counsel in all courts-martial. Such Reserve Component JAs may also serve as defense counsel in summary courts-martial.

d. FLEP officers performing OJT may be detailed as summary courts-martial, Article 32 investigating officers, or as assistant trial counsel. A FLEP officer detailed as assistant trial counsel must work under the supervision of a certified JA, detailed as trial counsel, who is primarily responsible for presentation of the case in court.

e. At installations where TDS provides defense services, only members assigned to TDS normally will be detailed as defense counsel or assistant defense counsel.

11-2. GOOD STANDING WITH ATTORNEY'S LICENSING AUTHORITY.

a. All Army attorneys, including Judge Advocates who are members of the Regular Army, U.S. Army Reserve, and Army National Guard and civilian attorneys under TJAG's qualifying authority, must be members in "good standing" with at least one attorney licensing authority. As a means to ensure compliance, all attorneys who are part of the Judge Advocate Legal Services (JALS) self-certified every other year starting in 2007 that they are in good standing with their licensing authority. The next certification shall be made by 30 September, 2009; subsequent certifications shall be made biennially thereafter by that same date. Noncompliance with TJAG's policy memorandum 07-1 is a basis for the suspension of performing Judge Advocate duties. AR 135-175, paragraph 4-4(b)(5), requires separation of Army National Guard and Army Reserve officers for loss of license or disbarment from professional practice. A current, valid license to practice law in a state, territory of the United States, District of Columbia, or Commonwealth of Puerto Rico is a

continuing condition of employment for civilian attorneys of the DA. See AR 690-200, Chap. 213, Para. 4-8e.

b. In addition to self-certification, all Judge Advocates who are members of the Regular Army, and U.S. Army Reserve must provide sufficient proof of good standing as part of the board process when the officer is in the primary zone of eligibility or prior to first time eligibility before a DA centralized school selection board. Proof of good standing will be provided to the PP&TO prior to the officer's consideration by the board. Similarly, civilian attorneys will provide sufficient proof of good standing prior to being hired, reassigned or promoted (See AR 690-200, Chapter 213, para. 4). If an officer submitted a certificate of good standing for the ILE/AOWC board then he does not need to submit it again in the same calendar year for the Lieutenant Colonel promotion board. If an officer submitted a certificate of good standing for the SSC board, then he does not need to submit it again in the same calendar year for the Colonel promotion board.

c. Each Army attorney has a personal responsibility to ensure compliance with their applicable licensing rules pertaining to the practice of law and to maintain his license and good standing. Every attorney has a responsibility to report pending investigations or any disciplinary action pending or taken in accordance with AR 27-1.

d. Special Assistant United States Attorneys. Appointment as a Special Assistant United States Attorney (SAUSA) requires attorneys to comply with Department of Justice (DOJ) policies on bar membership. DOJ now requires all DOJ attorneys, including SAUSAs to certify annually that they are duly licensed and authorized to practice as an attorney under the laws of at least one State, territory, or the District of Columbia at all times. DOJ has interpreted the term "duly licensed and authorized" to mean that a SAUSA's current status is such that "as is" he or she could practice in their home state. DOJ has further determined that this requirement is not met by merely being "a member in good standing," but requires a SAUSA to maintain "active" bar membership. SAUSAs that do not attain active status will not be allowed by DOJ to continue to appear on behalf of the United States in District or Magistrate's Court. Prospective SAUSAs should be informed of this requirement prior to the request for appointment to avoid any delay in certifying the SAUSA. Furthermore, The Citizens Protection Act (28 U.S.C. § 530B) applies to Special Assistant United States Attorneys. It provides: "An attorney for the Government shall be subject to State laws and rules, and local Federal court rules, governing attorneys in each State where such attorney engages in that attorney's duties, to the same extent and in the same manner as other attorneys in that State...." As used in the Act, "attorney for the government" denotes mainly those Judge Advocates appointed as Special Assistant United States Attorneys or "employed" by the Department of Justice and who are authorized to conduct criminal or civil law enforcement proceedings on behalf of the United States.

11-3. STATE FEES.

Some states have begun to charge a professional license fee or privilege tax for attorneys. This is a tax by the state and not a bar fee. New Jersey, Tennessee, Texas, and the District

of Columbia have begun such programs. In many cases, however, the states have been granting exemptions to attorneys employed by the government and not practicing in their state. If you receive any report that a state in which you are a member of the bar is considering or has instituted a privilege tax, notify the OTJAG PP&TO.

11-4. SUSPENSION FROM JA DUTIES.

TJAG may, in his discretion, issue or withdraw any certification of qualification to act as military judge, or any certification of competency to act as counsel before courts-martial. TJAG may suspend any JA from performance of JA duties pending resolution of an allegation that, if substantiated, would reflect adversely on the officer's fitness for duties as a JA. TJAG may also suspend any JA from performance of JA duties and decertify the officer as a JA IAW Article 27(b), UCMJ based on a non-punitive (e.g. branch transfer).

11-5. OUTSIDE PRACTICE AND COURT APPEARANCES.

a. JAs and civilian attorneys in the Judge Advocate Legal Service (JALS) may not engage in the outside practice of law or appear as counsel in civilian courts, tribunals, hearings, or boards. This requirement does not apply to RC members of the JALS unless they are ordered to active duty for more than 30 consecutive days (see AR 27-1). Exceptions to this policy may be authorized by TJAG upon the request of the JA or civilian attorney. Under no circumstances will a JA or civilian attorney undertake such outside practice without first obtaining the written approval of TJAG. See DOD 5500.7-R, the Joint Ethics Regulation; AR 27-40, *Litigation*; AR 27-1, *Judge Advocate Legal Services*; and AR 690-200, *Civilian Personnel--General Personnel Policies*, subchapter 213 (Excepted Service Appointments).

b. Requests for exceptions to policy will be submitted in writing through and endorsed by the SJA, supervising JA, or commander concerned to PP&TO, describing fully the nature and extent of the practice contemplated and whether an appearance in court may be required. Requests for appearance as counsel in proceedings in which the United States has an interest will be made through Litigation Division, as set forth in AR 27-40, paragraph 1-6b. JAs assigned to USAREUR and Korea will also submit their requests through the Judge Advocate USAREUR, ATTN: AEAJA-X, and the Judge Advocate, Eighth United States Army, ATTN: FKJA-CL, respectively. Requests for exception to policy will include the name of the client, jurisdiction and name of the judicial body, compensation, and requisite bar affiliations, as applicable.

c. JAs and civilian attorneys are not prohibited from practicing law or performing legal services for themselves or members of their immediate families, providing such activity is in accordance with the provisions of paragraph 11-6, below.

d. See paragraph 10-7, above, for procedures to request approval for private practice during transition leave.

11-6. STANDARDS OF CONDUCT.

In each case of outside practice of law and outside employment, JAs will ensure that they do not act as an agent or attorney against the United States' interests or engage in any matter that interferes with, or is incompatible with, their duties. (See, e.g., 10 U.S.C. § 973 and 18 U.S.C. § 205). JAs shall not demand, accept or agree to receive any compensation for any representational services, as agent or attorney or otherwise, rendered or to be rendered either personally or by another in relation to any proceeding, application, request for a ruling or other determination, contract, claim, controversy, charge, accusation, arrest, or other particular matter in which the United States is a party or has a direct and substantial interest, before any department, agency, court, court-martial, officer, or any civil, military, or naval commission. (18 U.S.C. § 203). JAs will not engage in any matter that, under the circumstances, may reasonably be expected to create the appearance of a conflict of interest or bring discredit on the Government or the Department of the Army. See DOD 5500.7-R. Judge Advocates assigned as SJAs will not represent individual clients in matters that will conflict them from performing their duties as an SJA; this rule applies to all SJAs, including members of the USAR and the ARNGUS (whether serving in Title 10 or Title 32 status). Any request for an exception to this policy will be submitted and processed IAW the procedures specified in paragraph 11-5 above. Violations of this policy by SJAs will be reported to the Executive Officer for TJAG.

12-7. ASSIGNMENTS.

(See AR 614-100, and DA Pams 611-21 and AR 600-8-11 & DA Pam 600-3)

a. Pursuant to the Warrant Officer Management Act (WOMA), all Legal Administrator positions on manpower documents have been position coded by grade. Where possible, personnel will be assigned to positions equivalent to their grade and experience.

b. In making assignments, the needs of the Army take precedence over other considerations. An individual's skills, professional development, and personal preferences

are considered in the assignment process. The location, level, and types of units authorized MOS 270A positions are extremely limited; therefore, vertical or lateral progression may not be reflected in every assignment. Assignments are generally made only to organizations that have valid requirements and position authorizations.

c. Assignment Policies.

(1) Reassignments are kept to the minimum needed to maintain an overseas rotational base, satisfy requirements for special qualifications, and provide for career progression.

(2) Warrant Officers will ordinarily complete the minimum months assigned on station as prescribed in AR 614-30 before being reassigned; however mission requirements may require earlier departure from an assignment.

12-8. PROMOTIONS.

(See AR 600-8-29 and AR 135-155 (USAR))

a. Promotion Boards. TJAG does not convene separate selection boards for promotion to the grades of CW3, CW4, or CW5. Legal Administrators are considered by regularly scheduled HQDA Warrant Officer promotion boards. On occasion, TJAG will provide a voting member to Warrant Officer promotion boards. Warrant Officers are recommended for promotion on a “best qualified” basis.

b. Permanent RA Grade. In accordance with the Warrant Officer Management Act (WOMA), all promotions to the grade of CW3, CW4, or CW5 are permanent.

12-9. RETIREMENTS.

In accordance with AR 600-8-24, paragraph 6-19(b), applications for voluntary retirement will not be submitted to the Branch Manager earlier than 12 months nor later than 9 months prior to the desired date of retirement or beginning date of transition leave, whichever is earliest. Applications will be processed in accordance with applicable regulations. See Figure 10-8 for recommended format.

This section applies to all civilian attorneys and civilian attorney positions within the professional qualifying authority of The Judge Advocate General. This includes all Army civilian attorneys who are not specifically included within another professional qualifying authority (Army General Counsel; Chief Counsel, US Army Corps of Engineers; and Command Counsel, US Army Materiel Command). Individuals with questions concerning the scope of The Judge Advocate General's qualifying authority should address them to the Chief, Civilian Personnel Management, PP&TO, Office of The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209-2194. This section does not apply to law students hired under The Judge Advocate General's Intern Program.

13-2. REFERENCES.

- a. AR 690-200, *Civilian Personnel— General Personnel Provisions*, subchapter 213 (Excepted Service Appointments).
- b. DOD Directive 1442.2, *Personnel Actions Involving Civilian Attorneys*.

13-3. CIVILIAN ATTORNEY PERSONNEL MANAGEMENT GUIDANCE.

This section reproduces reference a, above (Figure 13-1), and provides a graphical overview of the civilian attorney staffing process (Figure 13-2). Questions concerning JALS civilian personnel management should be directed to the Chief, Civilian Personnel Management, PP&TO, OTJAG.

13-4. CIVILIAN ATTORNEY PROFESSIONAL DEVELOPMENT.

The intent of the civilian attorney professional development program is to expose attorneys to ample formal education, training, professional development, and performance-enhancing job experiences so that all attorneys can grow professionally throughout their careers. An approved ACTEDS (*Army Civilian Training, Education, and Development System*) plan will be a significant initial step toward implementing a comprehensive and effective Army-wide program. This ACTEDS plan will provide the information and guidance necessary to promote systematic training and development of career Army civilian attorneys from initial entry to senior technical and managerial and executive levels. The plan will be functionally tailored to the legal career field, will be systematic and progressive, and will combine formal training with developmental assignments. Once approved, the ACTEDS plan will be published under separate cover.

Subchapter 4. Employment of Civilian Attorneys

4-1. SCOPE

Except as provided in this subchapter, with respect to Army employees, only persons who are employed in attorney positions may be engaged or utilized to provide professional legal services. This subchapter contains policy for establishing and filling civilian attorney positions (GS/GM 905 and 1222) and employing civilian attorneys, law clerk trainees (GS 904 pending admission to bar membership), and legal interns throughout the Department of the Army (DA), including (in conjunction with AR 690-13) positions subject to the Civilian Intelligence Personnel Management System (CIPMS). This subchapter applies to recruitment, appointment, assignment, promotion, removal or other disciplinary actions, and standards of conduct. It specifies performance evaluation requirements that apply to heads of legal offices. It also specifies recognition incentive requirements that apply to Senior Executive Service (SES) and Senior Level (SL) (vice GS-16, -17, and -18) attorneys. It supplements other civilian personnel regulations that apply to the excepted service, SES, and SL positions.

4-2. APPOINTING AUTHORITY

The Army General Counsel (GC) has been delegated appointing authority with respect to all Army attorneys in the Senior Executive Service (SES). This authority has been redelegated with power of further delegation to the Administrative Assistant to the Secretary of the Army for all departmental and field elements of the Office of the Secretary of the Army (OSA) and to the Chief of Staff, Army for all other elements of the Army.

4-3. QUALIFYING AUTHORITY

a. The GC has been delegated authority to approve the qualifications of persons recommended for any civilian attorney or law clerk trainee position. The GC retains this authority for all attorney positions in the OSA, including its field operating agencies, and for SES and SL attorney positions DA-wide. Such positions may

not be filled without prior approval of the proposed selectee's qualifications by the GC. For the remainder of the Department, the authority to approve the qualifications of persons recommended for positions of attorneys or law clerk trainees in grades GS/GM-15 and below is delegated without power of redelegation as follows. (These officials and the GC are referred to as qualifying authorities (QAs)).

(1) The Chief Counsel, US Army Corps of Engineers (USACE), for all elements under that command.

(2) The Command Counsel, US Army Materiel Command (AMC), for all elements of that command.

(3) The Judge Advocate General (TJAG) for all other elements of the DA.

b. QAs, in coordination with their civilian personnel counterparts, may establish supplementary procedures for filling positions under their jurisdiction. TJAG procedures are published as Appendix C to this regulation.

c. Withdrawal of Qualifications Approval.

(1) Approval of a civilian attorney's qualifications by the designated QA is a continuing condition of employment. A QA may withdraw such approval for good and sufficient reasons such as a violation of the Army Rules of Professional Conduct for Lawyers when such violation is established in accordance with the procedures published under AR 27-26. When a QA withdraws approval of an attorney's qualifications, the person may not thereafter be employed by DA as an attorney.

(2) Withdrawal of qualifications approval should be accomplished through a process akin to that followed for actions based on, as appropriate, poor performance, misconduct, or violation of the Rules of Professional Conduct. Applicable procedures required by law or regulation apply to personnel actions taken as a result of withdrawal of qualifications approval.

4-4. ESTABLISHING LEGAL OFFICES AND POSITIONS

a. Office. A new legal office headed by a civilian attorney may be established only with

4-1

prior approval of the GC. Establishing a civilian attorney position that is not under the immediate supervision of another military or civilian attorney within the appointing officer's command constitutes establishing a new legal office.

b. Position. Establishing a civilian attorney position within an existing legal office is subject to any policies and procedures specified by the designated QA. When an attorney position is established in the SES or at the senior level, prior approval of the GC also is required.

4-5. QUALIFICATION REQUIREMENTS (ATTORNEY POSITIONS)

a. Initial Appointment. Applicants for attorney positions must be graduates of law schools accredited by the American Bar Association at the time of the applicant's graduation. The GC may make an exception upon a showing that the candidate possesses superior qualifications and that no well-qualified candidates from accredited law schools are available.

b. Minimum qualifications. The following requirements apply when filling attorney positions:

(1) GS-09. The applicant must be a member in good standing (as defined by the pertinent bar) of the bar of a State, territory, the District of Columbia, or the Commonwealth of Puerto Rico.

(2) GS-11. Same as (1) above plus 1 year of professional legal experience after admission to the bar.

(3) GS-12 and above. Same as (1) above plus 2 years of professional legal experience after admission to the bar commensurate with the duties of the position. For SES level positions, applicants must also achieve quality managerial experience. This normally will be evidenced by having managed at least one year at the GM-15 level.

(4) Exceptions. The QA may make exceptions to the experience requirements in (2) and (3) above when nominees possess special qualifications in place of those specified. For example, a second professional law degree (Master of Laws (LL.M)) or graduation with a distinguished record from an accredited law school (e.g., in the top 25 percent of the class) may be substituted for 1 year of professional legal experience.

4-2

4-6. LAW CLERK TRAINEE AND LEGAL INTERN APPOINTMENT

a. Law clerk Trainee. Honor and superior law school graduates may be temporarily employed as law clerk trainees with the understanding that they may be converted to regular attorney positions after being admitted to the bar. Such appointments may not exceed 14 months.

b. Legal interns. Students at accredited law schools who are candidates for Doctor of Laws (J.D.) or Bachelor of Laws (LL.B) degrees may be appointed as legal interns for a period not to exceed 1 year. Extensions may be approved by the QA.

4-7. RECRUITMENT AND APPOINTMENT

a. Affirmative Action. Recruitment for civilian attorneys will be done in accordance with the requirements specified by the designated QA and the following requirement. Whenever sources of applicants other than current Army civilian attorneys are to be solicited, local recruitment efforts must include reasonable efforts to contact sources in a geographic area thought to be broad enough to provide well-qualified minority group, and women candidates and candidates with disabilities. This will normally include contacts with all accredited law schools, bar associations, and known minority groups and women's organizations within the area of recruitment. QAs will assist local activities in identifying organizations and groups that should be contacted as part of the recruitment process.

b. Veterans' preference. As stated in FPM chapter 213 the principles of veterans' preference will be followed to the extent administratively feasible. A veteran who is not selected is entitled, upon request, to written reasons for nonselection.

4-8. REASSIGNMENT AND PROMOTION

a. General. A current Army civilian attorney may be reassigned or promoted to another attorney position in accordance with requirements specified by the QA. When movement is between organizations subject to different QAs, the requirements of the gaining QA apply.

b. Senior positions. Assignments to SES and SL positions are subject to prior approval by the

GC as specified in paragraph 4-3a as well as the ASA(M&RA).

c. Time in grade. Excessively rapid promotions should be avoided. For GS/GM-15 positions and below, normally candidates selected for advancement should have completed at least 1 year of service that is one grade lower than the position to be filled. A waiver may be requested only in cases where hardship or inequity exists in accordance with AR 690-300, chapter 300, paragraph 6-7.

d. Overseas employment. Major commands in conjunction with the QAs may grant or arrange for the losing command to grant administrative reemployment rights when necessary to move an Army attorney to an overseas Army position.

e. License to practice. A current, valid license to practice law in a state, territory of the United States, District of Columbia, or Commonwealth of Puerto Rico is a continuing condition of employment for civilian attorneys of DA.

4-9. SECURING PRIOR APPROVAL OF THE QA

a. Requests for approval of recruitment efforts and the qualifications of a candidate for initial assignment to an attorney position within the DA will be sent with the following documents to the proper QA:

(1) Memorandum or other document requesting authority to effect the personnel action. The memorandum will describe the number, types, and geographic areas of sources contacted and the results in terms of numbers of minority group, women and other applicants referred to the selecting official for consideration.

(2) SF 171 (Application for Federal Employment).

(3) Official certificate showing that the applicant is a member in good standing of the bar and a sworn statement by the candidate that his or her fitness to practice law or conduct as an attorney has never been challenged in any jurisdiction or; if either has been challenged, a sworn statement giving the facts, circumstances, and any other explanation that the applicant considers appropriate. As an alternative to a sworn statement, a declaration under penalty of perjury may be submitted in the following format. "I declare (or certify, verify, or state) under

penalty of perjury under the laws of the United States of America that the foregoing is true and correct. . . Executed on (date) (signature of applicant)." The certificate and statement must be dated within three months of the date the application is submitted.

(4) Official transcript of the applicant's law school record and an official statement of his or her relative standing in class. Certified documents must be furnished by the time the request for recruitment and qualifications approval is submitted. However, if these are not obtainable, the QA may authorize submission of other satisfactory evidence of the applicant's law school accomplishments.

(5) One copy of the position description.

(6) Copies of the responses to the appointing officer's inquiries from at least three licensed attorneys identified as references by the applicant.

b. A selectee may not be appointed until the QA issues an approval memorandum to the appointing authority, and furnishes an information copy to the GC.

4-10. HEAD-OF-LEGAL OFFICE PERFORMANCE EVALUATION

a. Performance information. Before rating the performance of any civilian attorney who is the head of a legal office at any level of the Army, the initial rater will request information about the attorney's performance from the head of the legal office at the next higher level in the chain of command. For the Chief Counsel, USACE, and the Command Counsel, AMC, the GC will be considered the head of the next higher level legal office. The head of the next higher level legal office will furnish information to the initial rater on the mandatory criteria in b below and may provide other information to assist the initial rater. The furnished information will be considered by the initial rater when rating the attorney, and a copy of this information will be attached to the official performance rating. In addition, this information will be considered and attached to any recommendations for performance awards (bonuses), other awards, or Presidential Rank Awards for the concerned attorney.

b. As part of their jobs, all civilian heads of legal offices are expected to ensure that they, and the clients and attorneys for whom they are responsible, provide adequate support and responsiveness to Army headquarters. Therefore, as a minimum, the performance of all civilian heads of legal offices will be rated on the following as a separate performance objective.

(1) Ensures adequate communication within and between the employing organization and offices at higher and lower levels considering:

(a) The extent to which the head of the legal office maintains awareness of and anticipates issues regarding matters of legal and policy significance occurring in the employing organization and subordinate field elements.

(b) The extent to which he or she independently acts on and communicates relevant information in a prompt and meaningful manner to the next higher level legal office.

(2) Ensures responsiveness to requests from higher level legal office. This criterion concerns how well the legal office obtains factual information and provides legal or policy analysis quickly in response to requests from higher level legal offices.

(3) Ensures follow-up and control to make certain that immediate and subordinate legal offices have complied with higher level legal office guidance. This concerns how successful the head of the legal office is in obtaining compliance with guidance he/she initiates or passes on in response to requests from higher level legal offices.

c. Copies of performance rating. The Senior Rater will send a copy of the annual performance appraisal of each SES attorney who is the head of a legal office to the GC.

4-11. SES AND SENIOR LEVEL (SL) RECOGNITION INCENTIVES

Senior raters will consult with the GC prior to making final performance awards (bonuses) to SES or SL attorneys. The Chairman of the Civilian Executive Resources Board will consult with the GC before nomination of an SES attorney to the Secretary of the Army for a Presidential Rank Award. The written views of the GC will be obtained and considered before an SES or SL attorney is recommended for any

type of financial recognition incentive (e.g., Presidential Rank, performance award, or pay adjustment).

4-12. CLASSIFICATION APPEALS

a. GS/GM-13, -14, and -15. The Assistant Secretary of the Army (Manpower and Reserve Affairs) has delegated authority to the Attorney Classification Appeals Committee to decide position classification appeals for attorney positions in grades GS/GM-13, -14, and -15, including those positions covered by the CIPMS. The procedures and requirements in AR 690-500, chapter 511, subchapter 6, apply to these appeals except as follows:

(1) Appeals should be expedited through command channels to the Attorney Classification Appeals Committee, Technical Advisor, Office of the General Counsel, Department of the Army, Washington, DC 20310.

(2) The appeal should refer to the Office of Personnel Management classification standard for attorney positions. If the appealed position is covered by CIPMS and is supervisory, reference should be made to the CIPMS Primary Grading Standard, Part 3, for Supervisory and Managerial Work.

(3) Arguments for and against the existing or requested classification should be supported by brief descriptions of actual-case examples.

(4) In every case, the comments of the immediate supervisor must be furnished.

(5) Intermediate civilian personnel and legal offices may resolve the appeal if all parties agree or may add comments as the appeal correspondence is transmitted through channels.

b. GS-9 through -12 and CIPMS. The regular appeal procedures outlined in AR 690-500, chapter 511, apply to GS-9 through -12 attorney positions except attorneys employed under the CIPMS. For CIPMS attorneys in these grades, the appeal procedures in AR 690-13 will apply.

4-13. ADVERSE ACTIONS

a. The responsible QA will—

(1) Be notified before action is taken to involuntarily reassign, suspend, separate, or reduce the grade of a civilian attorney.

(2) Insure that no adverse action is taken against an attorney that is based solely on in part

on the substance of complete and accurate legal advice given by the attorney.

(3) Take or oversee the taking of disciplinary action as warranted and appropriate under AR 690-700, Chapter 751, for violation of the Army Rules of Professional Conduct for Lawyers published in AR 27-26.

b. Excepted service appeal procedures are outlined in PL 101-376 and other applicable laws and regulations.

4-14. ASSISTANCE TO ATTORNEYS AFFECTED BY PERSONNEL ACTIONS

The following assistance will be provided for civilian attorneys who have been officially notified that they will be displaced from their current position due to a reduction in force, or who are seeking a new Army civilian attorney position due to the expiration of their current overseas civilian attorney employment contract.

a. If an attorney in this situation cannot be placed in a position within a QA's current vacancies, the QA will certify this fact in writing, and request that the other QAs assist in placement.

b. Attorneys who desire such assistance should forward, through their current QA, a one-page resume and a one-paragraph executive summary of the resume (including current telephone and address) to the other QAs. AMC Form 2693 is an acceptable substitute for the one-page resume.

c. Each assisting QA will advertise to all subordinate legal offices the desire of the attorney to continue employment as an Army attorney, and will solicit direct contact with the attorney by servicing Civilian Personnel Offices (CPO) and selecting officials for possible non-competitive appointment to a vacancy in the same or lower grade.

d. If interested in employing the attorney, local selecting officials, in conjunction with the servicing CPO, may request to interview him/her and may request additional information from the attorney (at least as necessary to satisfy the requirements of paragraph 4-9). Based on this information, and interview if any, the CPO may, with the approval of the relevant QA, offer noncompetitive reassignment to the attorney (paragraph 4-8a).

e. While they continue as current Army employees, attorneys may remain in this placement program until they are placed, request that they be removed from the program, or refuse an official offer by a CPO. QAs will notify each other when one of these events occurs, thereby providing grounds for removal of an attorney from the program.

4-15. REPORTING PERSONNEL ACTIONS

a. Notice to QA. The SF 50-B (Notification of Personnel Action) will be sent to the proper QA for any movement to or from an attorney position.

b. Records Maintenance. Each QA will maintain records for each attorney under his or her jurisdiction. Records will contain the documents listed in paragraph 4-9, copies of SF 50-B (forwarded per "a" above), and any other documents considered necessary by the QA. Upon request, these records will be available to other QAs on loan or for permanent retention when an attorney is selected for another assignment.

4-16. STANDARDS OF CONDUCT AND PROFESSIONAL RULES

Attorneys must comply with the standards of conduct required of all DA personnel in regulations issued by the Office of Government Ethics, Department of Defense, DA and other applicable laws and regulations. They will also comply with the DA Rules of Professional Conduct for Lawyers AR 27-26 and any supplements issued by the appropriate QA.

4-17. OUTSIDE EMPLOYMENT

a. No Army civilian attorney will participate in outside employment, with or without compensation, which (as determined by the attorney's supervisor or QA)—

(1) In any manner interferes or is incompatible with the proper and effective performance of his or her official duties;

(2) Creates a conflict of interest or appearance of one; or

(3) May reasonably be expected to reflect adversely on the Government or DA.

b. In addition to restrictions in "a" above,

no Army civilian attorney will engage in the outside practice of law without prior written approval of the QA. Requests for approval will be submitted in writing through legal office command channels and will include any applicable justification. If approved, copies of the request and the response will be furnished to the Office of the General Counsel, Department of the Army, Washington, D.C. 20310-0104, within 14 calendar days of approval. For purposes of this regulation, practice of law means representing, advising or providing other legal services for a client or employer with or without compensation. It does not include teaching, lecturing or writing for publication. It also does not include the infrequent, occasional rendering of legal advice or assistance without compensation to personal friends and relatives when not inconsistent with the restrictions in paragraphs c, c(1) or (2) below.

c. Even with written approval, no attorney will engage in outside practice of law in violation of 18 USC 203 or 205 (U.S. is a party or has an interest) or 209 (outside compensation

for official services), standards of conduct regulations cited in 4-16 above, or (for those for whom TJAG is the QA) AR 27-1, nor with respect to matters—

(1) Referred from his or her Army legal office; or

(2) With which he or she is, or may become, involved in an official capacity; or

(3) Involving Government personnel serviced by his or her legal office.

d. The GC may authorize deviations from paragraphs 4-17 a-c above under exceptional circumstances.

e. Army civilian attorneys may provide pro bono services subject to the restrictions and guidance in FPM Chapter 990 and in Office of Government Ethics regulations. This guidance precludes pro bono services on Government time or at its expense or which may interfere with the discharge of official duties. Except for certain personnel proceedings (see 18 USC 205), representing anyone else in a matter in which the Government has a direct and substantial interest is also prohibited.

Appendix C

CIVILIAN ATTORNEYS-UNDER THE QUALIFYING AUTHORITY OF THE JUDGE ADVOCATE GENERAL

C-1. PURPOSE

This provides procedures to be taken to recruit or fill civilian attorney and law clerk vacancies under the qualifying authority (QA) of The Judge Advocate General (TJAG). These procedures do not apply to the employment of law students in TJAG's Summer Intern Program. All activities, overseas and within the United States, will function through the proper recruiting office. Questions concerning recruitment, job opportunities, and other personnel actions should be addressed to the Chief, Personnel, Plans, and Training Office, Office of the Judge Advocate General, ATTN: DAJA-PT, Washington, DC 20310-2206.

C-2. AFFIRMATIVE ACTION

a. Adequate recruiting must be done at the local level for all civilian attorney position vacancies not located in overseas activities. Affirmative action recruiting for overseas activities will be done by HQDA (DAJA-PT). Staff Judge Advocate/Senior Counsel and servicing Civilian Personnel Office (CPO) are responsible for local recruiting to provide well-qualified minority, women candidates and candidates with disabilities. All attorney or law clerk vacancies located within a State or territory of the United States or District of Columbia will be publicized by the servicing CPO to local and State bar associations, minority and women organizations, and accredited law schools. Local affirmative action recruiting efforts may be coordinated with HQDA (DAJA-PT), see figure C-2.

b. TJAG will recruit within Army and, when appropriate, publicize employment opportunities by mailing job vacancy announcements to such groups as national bar associations, national legal organizations representing minority and women attorneys, and law schools having predominately minority students.

C-3. PROCEDURES

a. The CPO and legal offices will promptly advise HQDA (DAJA-PT) when any attorney or law clerk position is abolished, regraded, or vacated. Prior to abolition of any legal position, or taking any action that affects a TDA position requiring a Judge Advocate Legal Service (JALS) attorney, the legal office, CPO, or local Command must coordinate with DAJA-PT and obtain its approval.

b. The CPO, in coordination with the legal office, will forward a copy of the SF 52-B (Request for Personnel Action), job description, and a draft vacancy announcement to HQDA (DAJA-PT). This information is needed before announcing the position. Announcements must be typed on DD Form 173/3 following the format in figure C-1. TJAG will dispatch the announcement.

c. Applicants will file all required forms directly with the servicing CPO. Each applicant will be rated against the minimum qualifications as outlined in paragraph 4-5b by the CPO. Upon determination that the candidate is minimally qualified, the CPO will convene a ranking panel to rank those candidates who have been determined minimally qualified using the locally developed ranking criteria (knowledge, skills and abilities (KSA)) that distinguish high quality candidates as published in the vacancy announcement. Development of the ranking criteria is a joint legal office and CPO responsibility. The ranking of applicants will be done by a panel consisting of at least two attorneys and a civilian personnel specialist serving as an advisor. (The selecting official will not serve on the panel.) DAJA-PT will assist, if necessary, in meeting this requirement. After all applicants have been ranked, the CPO will prepare a list of the best qualified applicants using DA Form 2600 (Referral and Selection Register) and forward it to the selecting official. The selecting official may waive the panel requirement if there are less than eleven candidates who are mini-

C-1

mally qualified. In such cases, all of those candidates that meet minimum qualifications may be referred to the selecting official.

d. After the selecting official has made a tentative selection, the referral list and supporting documents (relating to selected person(s)), will be sent to HQDA (DAJA-PT) for review. A report of the efforts made to encourage minority and women applicants for the vacancy will accompany the referral list. A sample format for the report is shown at Figure C-2. The reporting of minority and women applicants will be done by using only the information stated on the SF 171, OPM Form 1386 (Background Survey Questionnaire), and supporting documents. Overseas commands are required to provide only the information in Figure C-2, paragraphs 4 and 5.

e. TJAG will review the local affirmative action recruiting efforts and the selectee's professional qualifications. This review will include the extent to which his or her education and experience demonstrates the KSA necessary to successfully perform the duties of the specific position. The selectee's file must include the minimum documents required by the vacancy announcement and a statement explaining why the applicant was selected over other candidates. The selecting official and the servicing CPO will be notified when the selectee has been approved for appointment to the position. After the selectee has been approved, the servicing CPO may continue to process the appointment.

f. Noncompetitive appointments are permitted under the following circumstances:

(1) Temporary assignments. In unusual cases, an attorney may be temporarily appointed to fill an attorney vacancy before the vacancy is filled through the procedures in b through e above. The temporary appointment may not be made without the prior approval of TJAG and will be approved only to provide urgently needed legal services that cannot be temporarily provided by assigned military and civilian personnel. The temporary appointment may be made to the

existing vacancy or to a temporary position. The selecting official may select the temporary appointee without regard to the announcement procedures otherwise required by the appendix. Prior to the selectee's appointment, the documents required by paragraph 3 of figure C-1 and justification for the temporary hiring action will be submitted to the CPO and forwarded to HQDA (DAJA-PT) for review of the selectee's professional qualifications by TJAG. The temporary appointee will vacate the position before the person who is selected for the permanent position reports for duty. If the temporary appointee desires consideration for permanent appointment to the position, he or she must be considered along with all other applicants under the normal competitive procedures. Approval of a person's professional qualifications for temporary appointment will not be construed to give that person an advantage over other applicants for the position.

(2) Appointments/promotions to reclassified positions. Whenever a civilian attorney position is reclassified to a higher grade, the incumbent may be appointed/promoted noncompetitively to the higher graded position after TJAG approves the incumbent's professional qualifications to assume the increased responsibilities. The CPO representative will submit a complete copy of the SF 52-B, a copy of the new job description and a recommendation from the supervisor pertaining to the new appointment to HQDA (DAJA-PT).

(3) Lateral/change to lower grade actions. A person who is appointed to a civilian attorney position may, upon approval of TJAG, be placed noncompetitively in another civilian attorney position at the same or lower grade by a new appointment, reassignment, or change to lower grade. Both positions must be under TJAG's QA. The request should include the items listed in subparagraph (2) above, and be forwarded by the proper staff or command legal office through the servicing CPO to HQDA (DAJA-PT).
